"In the parish church of Mettenheim in Germany (Bavaria), the seven great holy Archangels are venerated and invoked, as is recorded at the blessing of the church by his excellency F.A.A Graf Von Wagensberg, bishop of Chiernsee and assistant bishop of Salzburg on 18th October, 1720. Help us to bless those who curse us as Jesus commanded.

- ⊗ *Fusing myself into the Divine Will, which reigns in you St Barachiel, I want to take all the Blessings the Eternal Trinity wants to give to Their children and receive them into myself for all who refuse to receive them. Make me truly worthy to receive these blessings. In each blessing the Eternal Father gives His Son, I invest my 'I love You'. In each blessing Jesus gives His Church I invest my 'I love You'. In each blessing Jesus gives His Mother, I want to invest my 'I love you'. In each blessing Jesus gives His Abba Joseph, I want to invest my 'I love you'; in each blessing Jesus gives Luisa and Saint Annibale and all her confessors I want to invest my 'I love you' and every other blessing the Divine Will gives to all His children and to all creation, I invest my 'I love You, I thank You, I glorify You and I bless you in return for all the blessings You have given me and all mankind from Adam to the last man.' Fiat! May Your Kingdom come, Your Will be done on earth as It is in Heaven. Fiat!*

Rounds in the Hierarchies of Angels

The Celestial Choir of Seraphim

- ⊗ **Office:** Gifting the Ardours of Divine Love

O Holy and Divine Will, in your continual investing of the celestial choir of Seraphim with Your Divine Love, I fuse myself and all humanity into each seraphim to receive the inflooding of Your Divine Love. Opening my heart fully, I empty it of all attachments to self and keeping its mouth wide open I receive all the Love Your Divine Will wants to give, saying with the seraphim, 'O Beloved! My Life! Expand the boundaries of my heart to receive all Your Love; and, for every act of Love of the seraphim I say 'I Love You, I praise You, I thank You, I glorify You and May Your Kingdom come, Your Will be done on earth as it is in Heaven.' Fiat!

The Celestial Choir of Cherubim

- ⊗ **Office:** Gifting the Perfections of Divine Truths

O Holy and Divine Will, I fuse myself and all humanity into the Seas of Light in which you invest Your Divine knowledges in the celestial Choir of Cherubim. I bring with me all Creation to also receive these divine knowledges praying they open their minds to do so. I empty my mind of all knowledge and reason that is empty of Your Wisdom in order to receive Your Divine Light, which blinds the human mind of all its worldly knowledge such that it can say, 'I know not Man'. And in this forgetfulness of Man and all his ways we hope, O Father, to acquire Your Divine Mind and all Its knowledges, through the courteous impregnation of the Cherubim. Fiat!

The Celestial Choir of Thrones

- ⊗ Office: Gifting the Virtue of Divine Humility and Adoration of the Divine Majesty

O Holy and Divine Will, I fuse myself and all humanity into that Divine Humility which Jesus is gifting us through the Celestial Choir of Thrones. As You grow Jesus' Humanity in us I want to embrace each one of His Acts so humble; becoming little in the womb of His Mother and then descending even into us in the sacramental host; allowing Himself to be circumcised and then accepting from us the 'cut' our human wills give Him at every instant; becoming a refugee in the arms of His Mother and father, and now asking us to carry Him to safety from the murderous human wills that want to kill Him in all His children; submitting to daily labours to earn food for His family and investing our own hands and bodies with the strength to do the same labours; washing the feet of His apostles and our feet in all the acts of His self abasement before us; begging us to come to Him, receive from Him all His Love and forgiveness and be clothed with His own beauty and loveliness. And all this, because He was willing to allow Himself to be destroyed in all the humiliating Acts of His Passion - even unto death on the Cross. All the untold and hidden Acts of His Humble Self I want to now enter and embrace on behalf of all humanity so lacking in this virtue, by means of the celestial choir of Thrones.

Invest me O Jesus with that Humility by which You are always descending to earth to humbly serve every creature under the veils of Your adorable Will. In each one of these Acts of surrender to the human wills by which You are crucified, I come to You, embrace You, kiss Your wounds and pour over them the balm of the Divine Will and Its Love and say, "May Your Kingdom come, Your Will be done on earth as It is in Heaven." Fiat!

Father's Will. Give us that holy zeal which desires, with your help, to drive out from the temples of our hearts, minds and souls anything that opposes our Union with God.

- ⊗ *St Jehudiel, with the Divine Will, I come to be with you and in you as you and your angels protect all the houses of God on earth; that is not only our churches where Jesus resides in His tabernacles; but in His living 'tabernacles' wherein He abides sometimes to be crucified by His irreverent and sacrilegious children. Fusing my 'I love You' into all your acts I ask you to invest me with your zeal to protect the life of prayer in the Houses of Our Father and to instill into all hearts the desire to see the Reign of God on earth as in Heaven.*

especially your children in the Church and her priests that Jesus receives constant adoration, continuous kisses, ointments for His wounds, breaths to revive Him from His countless suffocations in which I invest all of my own self to participate in all Your Acts; so that, not for a moment will you be without my 'I love You' my breaths, my heartbeats and all my acts.

- ⊗ *St Uriel, in you I want to make up for all the sacrileges against the Holy Eucharist – the most Holy Table of Our Lord's Body and Blood. Send forth your legions to protect every crumb, every drop of Blood. Give the priest back his decorum, his status as the one who holds primacy as mediator and presider over the Sacred Mysteries. Fill his heart with the Lord's knowledge of His dignity – the great office he holds as the guardian of the Incarnation of Christ into His Church through this Holy Sacrament. Fiat!*

The Archangel St Jehudiel – "Zeal for the glory of Your House, Father, devours Me."

- ⊗ *Title: Glory of God: Office: Zealous defender of the rights of God and of His Church, of all His Holy Temples of Prayer: Divine Attribute: Zeal for the Glory of God: Cardinal Virtue: Justice: Virtue: Courage: Gift: Knowledge: Counteracts the demons Envy and Malice: Sacrament: Confirmation: Symbol: Crown of Glory: Garments: Gold: Patron: of adorers of the most Blessed Sacrament; priests, exorcists and victim souls.*

And, loving You therein with perfect harmony of reciprocation, I want to pour over all souls Your Dominion and with the help of the celestial choir of Dominions give to everyone equanimity in the humours of their body. I want to give everyone the divine response to every situation where anger, envy or covetousness threatens to rule; where jealousy threatens and where pride and the other vices rear their ugly heads. May all be subdued in the face of Your scepter of Dominion. Fiat!

Invest with this Peace, our holy father, the Pope, the bishops and priests, parents and families, teachers of the Faith and all men. May the scepter of Peace be clearly visible in all the kingdoms of the earth and all hatred, bitterness, envy and covetousness be driven out of hearts, through the ministry of this celestial choir of angels.

I enter into the Peace of Christ, the core of His Sacred Heart and therein I bring all the generations from Adam and Eve to the last who shall live to be infused with this Peace, that, the world cannot give. Fiat!

☩ *I fuse myself into the Divine Will, which is all and in all, and in the power of these four offices you hold, I make reparation for all who do not receive from them the riches they contain; because they do not believe; and so all but a few are sick. My guardian Raphael, bring to me my True Spouse, Jesus, and bring us all to Him, Who alone is True Love, Who alone is Life, Who alone is Holy. Form for all His children holy spousal unions; especially I pray here for my children, grandchildren and godchildren and the current attack by Asmodeus on all holy unions willed by God. Form for me always holy unions - made in Heaven; unions which will flourish with many children, "divine lives", for the Kingdom; and restore to me monies which have been lost that I may complete the Work God has given me to do for the glory of His Kingdom come on earth as in Heaven.*

- ☉ I pour all my 'I love You's, those of holy Mother, Luisa, Abba Joseph, Padre Pio, St Annibale and all the saints into this Chalice to sweeten all the bitternesses He has received from us; so many, only His Divinity could digest them; only His Divine Love could sweeten them. O, be our help Gabriel, when we too need strengthening in our bitternesses and deep sorrows, so great now on earth when the demons are out in force to kill the life of Christ in us. Fiat!

The Celestial Choir of Guardian Angels

- ☉ Office: Guardianship over all creatures

O Holy and Divine Will, I fuse myself into You to invest you with the gratitude of Your own Heart for the gift of our guardian angels, who are ignored mostly and even when acknowledged, are little called upon to do all they want to do for the protection of their charges and the salvation of souls. Therefore, now in the majesty of Your Will, I want to ask them to assist the little children in their care, protecting them from all evil; protect the vulnerable elderly, mentally damaged souls and orphans from the ravages of evil predators. In this age, never more has such evil been forced on the little and vulnerable ones. Oh please guardians of God's goodness in us, help, protect and enlighten us; reveal yourselves to the little ones as friends of their life.

O most wonderful angels, who from our conception watch over us with diligence and sweetness - fill us with divine gratitude for you and all the gifts of God. With the angelic Voices of the Divine Will I ask you to act for souls who do not know you or call upon you; especially the little innocent newly conceived in the wombs of their mothers. My own guardian, I praise God in you and for you; and ask you to take to His Throne all my prayers from the first to the last and all the prayers and acts I should have done but have not done, I ask you to substitute for me.

I thank you for all you have done in your defending us from the evil machinations of the devil and his cohorts; and I count on you to triumph over him in this new bill to legalize same gender unions as marriages. Together with Our Beloved Mother and St Joseph win for us this victory and in my life and everywhere form only holy unions for the coming of the Kingdom on earth as in Heaven. Fiat!
