From "Dawn of a Mystery"

Man must recognize God through Creation and this is the meaning of the Round, which recognizes God through Creation and so give Love and Praise to Him. Jesus said: "I did not create the sun for the sake of the sun because it cannot return My Love. I created the sun for you (Luisa) and for all of humanity. When I created man, I created the universe for him to live in. But I must Live in man." Thus everything is a Gift for us and we are a gift for God.

But how did Luisa make the Round? Luisa would say:

"I'm melting. I'm Fusing."

But what does this Fusing mean? Luisa said: "I see, I concentrate, I enter into God; into His Most Holy Will. In front of me I see what seems to be a little girl coming out of me. I understand that she's my soul and I lose myself in Creation. I voyage among the stars, in the heavens, in the sun, and in the air I breathe. In all the universe I see Love, and I gather all the Love that God has put in Creation and give it back to God in Praise, in Love, in Thanksgiving for everything He has done and placed in Creation for me. And I thank Him, I praise Him, I bless Him for me and for everyone, including those who don't thank Him.

"But one thing I do ask. I ask that God's Kingdom come. Because, before sin man lived as king in the created universe. And so, I must give Love back to God, including the Love rejected by Adam."

The Servant of God, Luisa Piccarreta

“...daughter Luisa: as you do your first Acts in My Will,
the other souls receive the right to enter into
The Divine Will
and
to repeat your Acts,
in order to receive The Same Effects.”

Volume 21 – April 18, 1927

Necessity of Advances in order to Purchase the Kingdom of the Divine Will. How the Divine Will renders everything light as a feather, and therefore one can embrace everything.

Continuing Making my Round in the Divine Fiat, I was thinking to myself: “What is the use of these continuous repetitions of asking over and over again for the Kingdom of the Divine Will, and the repetition of Making my Round in It in order to commit It to grant Its Kingdom, that It may come to dominate in the midst of creatures?”

At that moment, my Beloved Jesus moved in my interior and told me: “My daughter, when one wants to make a purchase, one pays advances, and the more advances are given, the more the purchase is secured, and the less remains to be paid when one comes to the final acts of the definitive purchase. **Now, since you Want the Kingdom of My Will, it is Necessary for you to Give advances, and every time you Make your Round in It, Asking for Its Kingdom over and over again, and emitting your acts on behalf of all for the same purpose, you add as Many More Advances to secure your Purchase of the Kingdom of My Divine Fiat.**

“And since it is the Purchase of It that you Want to Make, **It Is Necessary** that your acts be done in It, that they acquire the Value of the Currency coined by My Divine Will. Otherwise, it would not be a Valid Currency, and what could circulate for the purchase of It—it would be a currency from outside the Kingdom. In fact, one who Wants to Purchase Divine Will Must Give acts of advance done in It, and My Divine Will benignly deigns to coin them with the Value of Its Fiat, in such a way that the soul can Give the Necessary Advances for the Purchase of It.

“This is the utility of Making your little Rounds in My Fiat. The acts that you Emit in It, your Asking, over and over again, for the Coming of Its Kingdom, are All Necessary Things, that are Needed for the Great Purchase of It. Did I not do the same for Redemption? I had to pay the advance of My Acts before My Celestial Father, and I had to pay for all in order to obtain the Kingdom of Redemption; and when I made the whole payment, then was it signed by the Divinity that the Kingdom was Mine. **Therefore, Continue Placing your Advances, if you Want to have it Signed that the Kingdom of My Fiat is yours.”**

After this, I was saying to my Jesus: "In Your Will I take the whole Creation in my arms—the heavens, the sun, the stars and everything—to bring them before the Supreme Majesty as the Most Beautiful Adoration and Prayer to Ask It for the Kingdom of the Fiat."

But while I was doing this, I thought to myself: "How can I embrace everything if my littleness is such that I could embrace not even one star? What about everything? So, these things are not feasible."

And my lovable Jesus, moving in my interior, told me: "My daughter, the one who Possesses My Divine Will can take Everything. My Divine Will has the virtue of rendering Anything Light; It renders heavens, stars, suns, the whole Creation, Angels, Saints, the Virgin Queen and God Himself, light as a feather. In fact, since My Divine Will flows as Primary Life in everything, one is The Life, one is the weight; so, whatever the weight of all things together, such is the weight of each one of them. Therefore, only the one who Possesses My Fiat can take Everything and Give Me Everything, because, having the Virtue of Extending heavens, of forming stars, etc., wherever It is Present, It has the virtue of Taking Everything and of Embracing Everything.

"This, indeed, is the Great Prodigy of the Living in My Divine Will: littleness can Carry and Embrace Immensity, weakness can carry Strength, the nothing can Possess the All, the creature the Creator. Wherever there is the Life of My Divine Will, there are All Prodigies United Together. The Infinite, the Eternal, lets Himself be Carried as though In Triumph in the little arms of she who Lives in It, because in her They look, not at her, but at the Divine Will that has The Right Over Everything, can do Anything, and Embraces Everything; and so she can Give Everything to her Creator as her own.

"In fact, was it perhaps not My Fiat that extended the heavens and populated them with stars? If It had the virtue of making them, It also has the virtue of embracing them, and of letting them be carried in triumph, like a light feather, by the creature who Lives in Its Divine Will. Therefore, continue your Flight (Making your Rounds) in It, and you shall Do Everything, to Give Me Everything and to Ask Me For Everything."

Prayer

"Don't You see that I cannot be without You, in spite of my misery and my coldness? Jesus, Mama, keep me close to You; Give me Your Love, Your Will."

Ant. "Dart through my poor heart, hold me tightly in Your Arms..."

Reading: V12 – 2.4.1919

"I don't know how—I found myself inside the Divine Immensity, which was Raising Thrones of Justice for each creature, to which Sweet Jesus had to Respond for each one of the creatures acts—Suffering their pains and death, paying the penalty for everything. And Jesus, like a Sweet Little Lamb, was Killed by Divine Hands, to Rise Again and to Suffer more deaths... O God! O God, what harrowing Pains! Dying to Rise Again—and Rising Again to Suffer a yet more excruciating Death!

"I felt I was dying in seeing my sweet Jesus being Killed. Many times I would have Wanted to spare just one Death for the One who Loves me So Much. O, how well I understood that only the Divinity could Make my Sweet Jesus Suffer So Much, and could claim the Merit of having Loved men to Folly and Excess, with unheard-of Pains and with Infinite Love. Neither Angel nor man had this Power in hand: being able to Love us with such Heroism of Sacrifice—like a God..."

Sunday Proper

First Reading: V12 – 2.4.1919

“Do you see, My daughter, with what Excess of Love I Loved the creature? My Divinity was too Jealous to Entrust to the creature the Task of Redemption, and so It Made Me Suffer the Passion. The creature had no Power to Make Me die as many times for as many creatures which had come, and were to come to the light of Creation, and for as many mortal sins as they would have the disgrace to commit. The Divinity Wanted Life for each life of creature, and Life for each death which she gave herself through mortal sin. Who could be So Powerful over Me as to Give Me so many Deaths, if not My Own Divinity? Who would have had the Strength, the Love, the Constancy to watch Me Dying So Many times, if not My Own Divinity? The creature would have grown tired, and would have given up.

“And do not think that this Crafting of My Divinity started late, but as soon as My Conception was Accomplished, even in the Womb of My Mama, who many times was aware of My Pains, and was Martyred, feeling Death along with Me. Therefore, even from the Maternal Womb, My Divinity took on the Commitment of Loving Executioner—but, because Loving, More Demanding and Inflexible; So Much So, that not a Thorn was spared to My groaning Humanity—not a Nail... But not like the Thorns, the Nails, the Scourges I Suffered in the Passion which creatures gave Me, and which did not multiply—as many as they inflicted, so many remained. Rather, those of My Divinity Multiplied at each offense—as many Thorns for as many evil thoughts; as many Nails for as many unworthy works; as many Blows for as many pleasures; as many Pains for as many different offenses. They were Seas of Pains, Thorns, Nails, and Innumerable Blows. In the Face of the Passion which My Divinity gave Me, the Passion which the creatures gave Me on the last of My days was nothing but the shadow—the image of what My Divinity made Me Suffer during the Course of My Life. This is why I Love souls So Much: they are Lives that they cost Me—they are Pains inconceivable to created mind. Therefore, Enter into My Divinity, and see and touch with your own hand all that I Suffered.”

Responsory

“...and Together with You, O sweet Mother, I Want to Follow, step by step, Adored Jesus,

– with the intention of Giving Him Comfort, Relief, Love and Reparation for all.”

Second Reading: V22 – 6.12.1927

“...in order to maintain the Relations existing between Redeemer and Redeemed ones, and to know them, one Must study My (Jesus’) Life. Each of My Words, Works, Steps, Heartbeats and Pains were All Bonds with which I came to Bind All the Redeemed ones. But who is Bound? One who Studies My Life and tries to Imitate Me. As she Imitates Me, she remains Bound to My Words, Works, Steps, etc., Receives their Life, and Shall have the Hearing to be able to Listen to All My Teachings, the mind to Comprehend them, and the Eyes to Read All the Characters Impressed within Me in Coming to Redeem mankind.

“And if the creature does not do this, the Characters of Redemption will be illegible for her; it shall be a foreign language for her, and the Relations and Bonds of Redemption will not be in Force. The creature shall always be the one who is born blind to all Our Goods with which We Wanted to Enrich her. And one who Wants to Know and Receive All the Relations and Bonds of Sanctity, Must Love the Sanctifier. The Holy Spirit puts His Flames on the Way toward one who Truly Loves, and Binds her with the Relations of His Sanctity. Without Love there is no Sanctity, because the Bonds of True Sanctity are already broken.”

Reading: V25 – 3.22.1929

“...do you think that in Redemption it was not My very Divine Will that Incarnated Itself in order to Come to find the lost man? It was precisely It (The Divine Will), because *Verbum* means word, and Our Word is the Fiat, that, just as in Creation It Spoke and Created, In The Same Way, in Redemption, It Wanted and Incarnated Itself. It was Its Empty Womb that claimed this child who, with So Much cruelty, had torn himself away. And what did this Will of Mine not do in Redemption?”

Ant. "My Jesus, I too Unite myself to You; I Make Your Prayers, Your Reparations and Your appropriate Remedies for each soul, my own."

Reading: V13 – 11.26.1921

"...having broken his human will from Mine, man (Adam) destroyed My Best—the Purpose for which I had Created him. He ruined himself completely, and denied Me All the Rights which he owed Me as Creator. But My Works carry the Mark of Eternity, and My Infinite Wisdom and My Eternal Love could not leave the Work of Creation without Its Effects and the Rights which were Due to Me.

"This is the Reason for Redemption. With so many Pains, I Wanted to Expiate All the sins of man—by Never Doing My Own Will, but always that of the Divinity, even in the Most tiny things, such as breathing, looking, speaking, etc. My Humanity did not move, nor did It have Life, if It was not Animated by the Will of My Father. I would have Contented Myself with Dying a thousand times rather than take a Breath without His Divine Will. Through this, I Joined again the human will with the Divine, and through My Person alone, being True Man and True God, I Returned to My Father All the Glory and the Rights which Befitted Him."

Responsory

"Jesus, I Want to mix my tears with Yours, that You may Never Be alone,

Reading: V4 – 3.12.1903

"...loaded down as I (Jesus) was with all Pains, I had to Press the Omnipotent One to accept and to let Me Continue My Sacrifice for the Salvation of the whole of mankind, present and future. And I obtained this; and the Sacrifice is still lasting, the Pressure is Continuous, though it is all a Pressure of Love—do you Want to Know where and how? In the Sacrament of the Eucharist. In It the Sacrifice is Continuous; Perpetual is the Pressure I put on the Father to use Mercy upon creatures; and on souls, in order to Obtain their Love; and I find Myself in a Continuous Contrast, Dying Continuously—Though All Deaths of Love."

"I LOVE YOU!" and pray You that Your Eternal Fiat be Known, and just as It Reigns Triumphantly in Heaven, It may come to Reign Triumphantly in the midst of creatures.

Prayer

"Jesus, my Good, I Kiss Your Beautiful Eyes; I see Your Loving Gaze toward those who come before Your Presence, Anxious to Receive the Return of their Gazes of Love. But how many come before You, and instead of Looking at You and Searching for You, look at things which distract them, and so deprive You of the Pleasure You Feel in the Exchange of Gazes of Love!"

Ant. "You Cry, and as I Kiss You, I Feel my lips wet with Your Tears. My Jesus, Do Not Cry..."

Reading: V15 – 3.27.1923

“My daughter, come into My Arms, and even inside My Heart. I have Covered Myself with the Eucharistic Veils so as not to strike fear. I have Descended into the deepest abyss of humiliations in this Sacrament in order to Raise the creature up to Me, Identifying her with Me So Much as to Form One Single Thing with Me, and, by letting My Sacramental Blood Flow inside her veins, Constitute Myself Life of her heartbeat, of her thought, and of her whole being. My Love Devoured Me and Wanted to Devour the creature in My Flames, to Make her be Reborn as Another Me. This is why I Wanted to hide Myself under these Eucharistic Veils and, so Hidden, Enter into her to Form this Transformation of the creature into Myself. But in order for this Transformation to take place, the Dispositions were Needed on the part of creatures; and My Love, Giving in to Excess, in Instituting the Sacrament of the Eucharist, Released from within My Divinity More Graces, Gifts, Favors and Light for the Good of man, to Render him Worthy to Receive Me. I could say that It Released So Much Good as to Surpass the Gifts of Creation. First, I Wanted to Give him the Graces in order for him to Receive Me, and then Myself, to Give him the True Fruit of My Sacramental Life...”

Responsory

“Jesus, I Want to Place my eyes in Yours to share in these Pains with You, and to cry with You.

– And Wanting to Repair for all the distracted gazes of creatures, I offer You my gazes, Always Fixed in You.”

"How Much Compassion I Feel for You, O Jesus! Your Love is cornered, and in order to Relieve you from the offenses You receive from these souls, I ask You to Chain my heart with those chains broken by them, in order to Give You my Return of Love in their place."

Ant. "My Jesus, my Divine Archer, I Kiss Your Breast."

Reading: V15 – 3.27.1923

"...However, in order to Anticipate souls with these Gifts (in the Eucharist), it takes a little emptying of themselves, the

hate of sin, and desire to Receive Me, then these Gifts do not Descend into rot, into mud. Therefore, without My Gifts souls do not then have the True Dispositions to receive Me, and in Descending into them, I do not find the Space to Communicate My Life; I AM as though dead for them, and they are dead for Me; I Burn, and they do not feel My Flames; I AM Light, and they remain more blinded. Alas! how many Sorrows in My Sacramental Life. Many, feeling nothing Good in receiving Me because of the lack of Dispositions, these souls reach the point of nauseating Me; and if they continue to receive Me, it is to form My Continuous Calvary and their Eternal damnation. If it is not Love that pushes them to receive Me, it is one more affront that they give Me—one more sin which they add to their souls. Therefore, Pray and Repair for the Many Abuses and Sacrileges that are Committed in Receiving Me in the Holy Sacrament."

Responsory

"O Jesus, here is my breast, ready to receive not only Your Arrows destined to me, but also those which the other souls reject;
– so You shall no longer remain defeated in Your Love Game."

Glory be to the Father...

– "Jesus, In this way, I shall also Repair for the coldness, the lukewarmness and the ingratitude, which You receive from the souls who reject Your Arrows of Love."

Our Father...

Reading: V17 – 10.30.1924

I Placed myself near my Jesus in the Garden of Gethsemani,
and I Prayed Him to let me Penetrate into that Love with which
He So Much Loved me. And my Jesus, Moving Again in the
depth of my interior, told me: "My daughter, Enter into My Love,
and Never Leave It; run after It, or stop in My Own Love in order
to comprehend well How Much I Loved the creature. Everything
in Me is Love Toward her. In Creating this creature, the Divinity
Intended to Love her Always; so, in Everything, inside and outside
of her, It was to run toward her with a Continuous and Incessant
New Act of Love. Therefore I can say that in every thought, gaze,
word, breath, heartbeat, and in all the rest of the creature, runs
an Act of Eternal Love. But if the Divinity Intended to Love this
creature, Always and in Everything, it was because It Wanted to
Receive, in Everything, the Return of the New and Incessant Love
of the creature; It Wanted to Give Love in order to Receive Love; It
Wanted to Love to be Loved in Return."

Responsory

“...and while You Give me Life, Divine Flames and Fire shall Give me death,

– like that You Suffer in the Holy Host.”

Glory be to the Father...

– “Jesus, I shall Give You my life—and so, while I remain Imprisoned in You, You shall be Released in me.”

Ant. “Is this not Your intent in Imprisoning Yourself in the Scared Host, in order to be Released by the souls who Receive You, Becoming Alive in them?”

Final Prayer

“Jesus, And now, as a Sign of Love, Bless me, Give the Mystical Kiss of Love to my soul, while I remain Clasped and Clinging to You.”

Prayer

"Jesus, I too Want to accompany You, so that if You stagger,
I may sustain You."

Ant. "How much compassion I Feel for You, O Passionate Lover;
and I Repair You for All the ingratitude of Your Most Faithful ones."

Reading: V16 – 1.4.1924

"My daughter, do you think it was for the chalice of my
Passion that I said to the Father: *'Father, if it is possible, let this
chalice pass from Me'*? Not at all. It was the chalice of the human
will which contained such bitterness and fullness of vice, that
My human will United to the Divine Will felt such repugnance,
terror and fright, as to cry out: *'Father, if it be possible, let this
chalice pass from Me...!'* How ugly it is the human will without
the Divine Will, which Enclosed Itself in each creature, as within
a chalice! There is no evil in the generations, of which it is not the
origin, the seed, the source. And in seeing Myself covered with
all these evils produced by the human will, before the Sanctity
of My Divine Will, I felt like dying. And indeed I would have died
if the Divinity had not sustained Me."

Monday Proper

First Reading: V16 – 1.4.1924

“But do you know why I added, and as many as three times, ‘*Non mea voluntas, sed Tua fiat*’ (‘Not my will, but Yours be done’)? I felt upon Myself All the human wills of creatures united together—All their evils, and in the name of all I Cried out to the Father: ‘May the human will be done on earth No More, but the Divine. May the human will Be Banished, and may Yours Reign.’ Therefore, from that moment—and I Wanted to do this at the very Beginning of My Passion, because it was the thing which interested Me the Most and the Most Important One: to Call upon earth the ‘*Fiat Voluntas Tua*’ on earth as It is in Heaven—I Myself said in the name of all: ‘*Non mea voluntas, sed Tua fiat.*’

“From that time I Constituted the Era of the ‘*Fiat Voluntas Tua*’ upon earth. And by saying it Three Times, in the First One I Impetrated It, in the Second I made It Descend, and in the Third I Constituted It Ruler and Dominator. And in saying ‘*Non mea voluntas, sed Tua fiat*’, I intended to Empty the creatures of their human wills and to Fill them with the Divine Will.”

Responsory

“I too, O my Jesus, prostrate myself with You,
– and with You I intend to Do what You Do.”

Second Reading: V16 – 1.4.1924

“Before Dying, since I had only hours left, I Wanted to Negotiate with My Celestial Father My Prime Purpose, for which I came upon earth—that the Divine Will take Its First Place of Honor in the creature. This had been the first act of man (Adam)—to withdraw from the Supreme Will—and therefore the first offense against Us (Triune God). All his other evils are in the secondary order. It is always My Divine Will to have Primacy in All Things. And even though the Fruits of Redemption could be seen before Its Effects, it was by Virtue of this Contract which I Made with My Divine Father that His Fiat would come to Reign upon earth, realizing the True Purpose of the Creation of man and the Prime Purpose for which I Came upon earth, and that man could Receive the Fruits of Redemption. Otherwise, My Wisdom would have lacked Order. If the origin of evil was

his human will, it was this human will that I had to Order and Restore, Reuniting Divine Will and human will. And even though the Fruits of Redemption could be seen first, this says nothing. My Divine Will is like a King who, though being First among All, arrives as last, being preceded, for Honor and Decorum, by his peoples, armies, ministers, princes and the whole Royal Court. Therefore, the Fruits of Redemption were Needed First, so that the Royal Court, the peoples, the armies and the ministers could be found Worthy of the Majesty of My Divine Will.

“But do you know who was the first one to Cry Out Together with Me: (Luisa) ‘*Non mea voluntas, sed Tua Fiat*’? It was My Little Newborn of My Divine Will, My little Daughter, who felt such repugnance and fright for her human will as to Cling to Me; and trembling, she cried out with Me: ‘Father, if it possible, let this chalice pass from Me’. And crying, she added with Me: ‘*Non mea voluntas, sed Tua Fiat*’. Ah, yes, you (Luisa) were Together with Me in that First Contract with My Celestial Father, because at least one creature was Needed in order to Validate this Contract. Otherwise, to whom Give it? To whom Entrust It? And in order to Render the Custody of the Contract safer, I Gave you (Luisa) All the Fruits of My Passion as Gift, lining them up around you like a Formidable Army which, while Forming the Royal Court of My Divine Will, wages a fierce War against your human will.”

"This Agony of My Divine Will is so Painful, that My Humanity, that Wanted to Suffer it in the Garden of Gethsemani, reached the point of seeking help from My very Apostles—and even that I did not obtain; and the Spasm was such that I Sweated Living Blood. And feeling Myself Succumbing under the Enormous Weight of the Agony of My Divine Will, so long and terrible, I Invoked the Help of My Celestial Father, saying to Him: *'Father, if it be possible, let this Chalice pass from Me.'* In all the other Pains of My Passion, as atrocious as they were, I never said: *'If it be possible, let this Pain pass.'* On the contrary, on the Cross I cried out: *'I Thirst'*—I Thirst for Pains. But in this Pain of the Agony of the Supreme Will, I Felt All the Weight of an Agony So Long, All the Torment of a Divine Will that Agonizes—that Writhes in the human generations. What Sorrow! fiat

Reading: V20 – 11.19.1926

“Now the Supreme Fiat Wants to get out of this Agony. It is Tired, and at any cost It Wants to get out of this Agony so Prolonged; and if you hear of chastisements, of cities collapsed, of destructions, this is nothing other than the Strong Writhing of Its Agony. Unable to bear it any longer, It Wants to make the human family Feel Its Painful State and how It Writhes Strongly within them, without anyone who has compassion for It. And making use of Violence, with Its Writhing, It Wants them to feel that It Exists in them, but It Does Not Want to be in Agony Any More—It Wants Freedom, Dominion; It Wants to carry out Its Divine Life in them.”

Responsory

“My Mama, I Come to You, because Jesus Wants souls
– He Wants Comfort.”

When Jesus Judges them, He shall find them Covered with His Own Blood, Abandoned in His Arms, and so He shall Give His Forgiveness to All."

Ant. “Let us continue to Make our Round, O Mama.”

Reading: V18 – 10.21.1925

“My daughter, I had a Special Sorrow for each sin, and upon My Sorrow hung the Pardon for the sinner. Now, this Sorrow of Mine is Suspended in My Divine Will, waiting for the sinner when he offends Me, so that, as he feels Sorrow for having offended Me, My Sorrow may Descend to feel Sorrow Together with his, and Immediately Grant him Forgiveness. But, how many offend Me and do not feel sorrow? So, My Sorrow and Forgiveness are Suspended in My Divine Will, and as though isolated. Thank you, My daughter, for coming into My Divine Will to keep company with My Sorrow and with My Forgiveness. Please, Continue to Make our Round in My Divine Will; and Making My Sorrow your own, cry out, for each offense: ‘Sorrow! Forgiveness!’, so that I may not be the only One who feels Sorrow and Impetrates Forgiveness, but I may have the company of the little daughter of My Divine Will, who Feels Sorrow Together With Me.”

Responsory

“Mama Mary, Let Your Maternal Gaze look with Love upon the earth,
– and be moved to Compassion for many poor creatures who Need this Blood.”

Glory be to the Father...

– “My Mama, I feel pushed to run by the Searching Gaze of Jesus, because He Wants souls.”

Our Father...

Final Prayer

“I hear His Moans in the depth of my heart, repeating to me: *“My child, Help Me, Give Me souls!”* But see, O Mama, how the earth is filled with souls who are about to fall into sin, and Jesus Bursts into Crying in Seeing His Blood Suffer New Profanations. It would take a Miracle to prevent their fall; therefore, let us Give them the Blood of Jesus, that they may Find in It the Strength and the Grace not to fall into sin.”

Monday Night Prayer

Ant. "One more step, O Mama, and here are the souls already fallen into guilt, who would like a hand in order to Stand Up Again."

Prayer

"See O Mama, these are souls who Need this Blood—souls who are dead to Grace. O, how deplorable is their state! Heaven Looks at them and Cries with sorrow; the earth fixes on them with disgust; All The Elements are against them and would Want to destroy them, because they are enemies of the Creator."

Ant. "Please, O Mama, the Blood of Jesus Contains Life, so let us Give It to them, so that, at Its Touch, these souls may Rise Again..."

Ant. "...and may Rise Again More Beautiful, so as to Make All Heaven and All earth Smile."

Round of Redemption V Prayer

"Let us continue to wander, O Mama. See, there are souls who carry the mark of perdition; souls who sin and run away from Jesus; who offend Him and despair of His Forgiveness. These are the new Judases, spread throughout the earth, who Pierce that Heart, So Embittered."

Prayer

"Let us Give sinful souls the Blood of Jesus, that It may erase from them the mark of perdition, and impress that of Salvation. May It place in their hearts such Confidence and Love after sin, as to Make Them Run to the Feet of Jesus, and Cling to those Divine Feet, Never To Detach From Them Again."

Ant. "See, O Mama, there are souls who are hurling themselves toward perdition, and there is no one to arrest their race."

Ant. "O Please, let us Place this Blood before their feet, so that, at Its Touch, at Its Light, and at Its Supplicating Voices which Want to Save them, they may draw back and place themselves on the Path of Salvation!"

Round of Redemption VI

Prayer

"Let us continue to Make our Round, O Mama. See, there are good souls, innocent souls, in whom Jesus finds His Delights and His Rest in Creation. But creatures are around them with many snares and scandals, to snatch this innocence away, and to turn the Delights and Rest of Jesus into Crying and Bitternesses, as if they had no other aim than to cause Continuous Sorrows to that Divine Heart."

Prayer

"So, let us Seal and Surround the innocence of Holy souls with the Blood of Jesus, like a Wall of Defense, so that sin may not enter into them. With It, put to flight whoever wanted to contaminate them, and Preserve them Spotless and Pure, so that Jesus may find, through them, His Rest in Creation and all His Delights; and for Love of them, He may be Moved to pity for Many other poor creatures."

Ant. "My Mama, let us place All these souls in the Blood of Jesus..."

Reading: V33 – 7.21.1935

...my Always Lovable Jesus returned to His little daughter, Making Himself Seen with a Wound in His Sacred Heart that Poured Forth Blood and Flames, as if He Wanted to Cover All souls with His Blood and Burn them with His Love. And all Goodness He told me: "My daughter, Courage, your Jesus also Suffers, and the Sufferings that Give Me More Sorrow are Intimate Sufferings that Make Me Shed Blood and Flames. But My Greater Suffering is the Continuous Waiting. My Gazes are Always fixed on souls, and as I see that a creature is fallen into sin, then I Wait, and I Wait Again, for her Return to My Heart in order to Pardon her. And not seeing her come, I Wait with the Pardon in My Hands. That Waiting Embitters the Suffering and Forms Such a Torment for Me, as to Make Me Shed Blood and Flames from My Transfixed Heart. The hours, the days, that I Wait, seem years to Me. O! How Hard It Is To Wait."

Responsory

"...let us Bind souls, and Bind them All Over, with the Most Holy Divine Will of God;

– let us Place them in His Arms..."

Glory be to the Father...

– "and let us Bind them to His Sacred Heart with the Sweet Chains of His Love, in order to Soothe the Bitternesses of His mortal Agony."

Ant. "But Listen, O Mama, this Blood Cries Out and Wants yet More Souls."

Final Prayer

"Let us Continue to Make our Round, and let us go to the regions of the heretics and of the unbelievers. How much Sorrow does Jesus not feel in these regions. He, who is the Life of All, receives not even a tiny act of Love in return; He is Not Known by His very creatures. Please, O Mama, let us Give them this Blood, that It may Cast Away the darkness of ignorance and of heresy. Let them Comprehend that they have a soul, and Open the Heavens for them. Then, let us Place them All in the Blood of Jesus; let us lead them around Him, like many orphaned and exiled children, who Find their Father; and so Jesus shall Feel Comforted in His Most Bitter Agony."

Tuesday

Invitatory

“But Jesus seems to be not yet Satisfied, because He Wants yet More Souls.”

Ant. “He Feels the dying souls of these regions being snatched from His Arms, to fall into hell.”

Because Only in Your Heart,
Can one Comprehend Love.

Then, press them to Your Maternal Heart; Infuse in them the Life of Jesus, which You Possess; Tell them that, as their Mother, You Want them to be Happy Forever, with You in Heaven; and as they breathe their last, Receive them into Your arms, and let them pass from Yours into those of Jesus.”

Ant. "And now, we too, let us Fly toward Heaven; let us Place ourselves at the Gates of Eternity and allow me, O Mama, to Give this Blood also to You, for Your Greater Glory."

Reading: V9 – 7.4.1910

“My daughter, in a Special Way I Wanted to Suffer the Agony in the Garden, in order to help All of the dying to die well. Look well at how My Agony is combined with the agony of Christians: Tediums, Sadnesses, Anguishes, the Sweat of Blood—I felt the death of All and of each one, as if I were really Dying for each one in particular; so I felt the tediums, the sadnesses, the anguishs of each one within Me, and with My Own I Offered Help, Comfort and Hope to All, so that, as I felt their deaths in Me, they might All Receive the Grace to die all in Me, as though in one single breath—with My Breath, and to be Beatified Immediately by My Divinity.”

Tuesday Proper

First Reading: V13 – 11.19.1921

I was keeping company with my Jesus who was Agonizing in the Garden of Gethsemani, and as much as I could, I Compassionated Him, I Pressed Him Tightly to my heart, trying to wipe His mortal Sweats. And my Sorrowful Jesus, with faint and expiring Voice, told me: “My daughter, My Agony in the Garden was hard and painful, maybe More Painful than that of the Cross. In fact, if that was the Fulfillment and the Triumph over All, here in the Garden it was the Beginning, and Sufferings are felt More at the Beginning than when they are ended. But in this Agony the Most harrowing Pain was when All sins came before Me, one by one. My Humanity comprehended All their Enormity, and each crime carried the Mark, ‘*Death to a God*’, armed with Sword to Kill Me! Before the Divinity, sin appeared to Me as So Very Horrifying and More Horrible than death itself. Just in comprehending what sin means, I Felt I was Dying—and I Did Really Die. I Cried Out to the Father, but He was inexorable. Not even one was there to Help Me, so as not to let Me die. I Cried Out to All creatures to Have Pity on Me—but in vain. So, My Humanity languished, and I was about to receive the last blow of Death... ”

Responsory

“May this Precious Blood Jesus Inundate You Mary with New Light and with New Contentments.

– And let this Light Descend for the Good of All creatures, to Give Graces and Salvation to all.”

Second Reading: V13 – 11.1921

“...But do you know who prevented the execution and Sustained My Humanity from Dying? The First was My Inseparable Mama. In hearing Me ask for Help, She Flew to My Side and Sustained Me; and I leaned My right Arm on Her. Almost Dying, I looked at Her, and I Found in Her the Immensity of My Divine Will Intact, without ever a break between My Divine Will and hers. My Divine Will is Life, and since the Will of the Father was Immovable and Death was coming to Me from creatures, another Creature, who Enclosed the Life of My Divine

Will, Gave Me Life. And here is My Mama who, in the Portent of My Divine Will, Conceived Me and Gave Me Birth in time, now Giving Me Life for the second time to let Me Accomplish the Work of Redemption.

“Then I looked to My left, and I Found the Little Daughter of My Divine Will. I Found you (Luisa) as the First, followed by the other daughters of My Divine Will. Since I Wanted My Mama with Me as the First Link of Mercy, through which We were to Open the Doors to All creatures, I Wanted to lean My right Arm on Her. And I Wanted you as the First Link of Justice, to Prevent It from unloading Itself upon All creatures as they deserve; therefore I Wanted to lean My left Arm on you, so that you might Sustain It Together with Me.

“With these Two Supports I felt Life come back to Me, and as if I had not suffered anything, with Firm Step, I went to meet My enemies. In all the Pains that I Suffered during My Passion, many of which were capable of giving Me Death, these Two Supports Never Left Me. And when they saw Me nearly Dying, with My Own Will which they contained, they Sustained Me, as though Giving Me Many Sips of Life. O, Prodigies of My Divine Will! Who can ever count them and calculate their Value? This is why I Love So Much the one who Lives in My Divine Will: I Recognize My Portrait in her, My Noble Features; I Feel My Own Breath, My Voice; and if I did not Love her I would defraud Myself. I would be like a father without offspring, without the Noble Cortege of his Court, and without the Crown of his children. And if I did not have the offspring, the Court and the Crown, how could I call Myself a King? My Kingdom is Formed by those who Live in My Divine Will, and from this Kingdom, I Choose the Mother, the Queen, the children, the Ministers, the Army, the people. I AM Everything for them, and they are All for Me.”

Tuesday Morning Prayer

Hymn

I already feel faint with Love;
Sustain me in Your Arms,
Enclose me in Your Heart,
And from within Your Heart,
Let me too Give vent to my Love;
Otherwise I die of Love.

Reading: V17 – 6.3.1925

"...if I (Jesus) came upon earth, this was exactly the Prime Act—to Make Known the Divine Will of My Father, in order to Bind It again to the creatures. The Pains, the Humiliations, My Hidden Life, and All the Immense Sea of the Pains of My Passion,

were Remedies, Medicines, Supports, Lights, in order to Make My Divine Will Known, because with It, I would make man not only Saved, but Holy. With My Pains I Placed him in Safety; with My Divine Will I Gave him back the Sanctity lost in the terrestrial Eden. Had I not Done this, My Love, My Work, would not have been Complete as they were in Creation, because My Divine Will Alone has the Virtue of Rendering Complete Our Works toward the creatures, and the works of the creatures toward Us. My Divine Will makes one think in a Way which is different from the human way; It makes one look at My Divine Will in All Created things, speak with the Echo of My Divine Will, work through the Veils of My Divine Will. In a word, one does everything, all at once, According to My Supreme Volition, which Leads the creature, rapidly, to Perfect Sanctity; while the other Virtues act slowly, little by little. My Redemption Itself, without the Prime Act of My Divine Will, serves as Dressing of the deepest wounds, as Medicine for man, not to let him die; as Antidote, not to let him fall into hell."

Responsory

"Bind them All to Your Love,

– so that not one more soul may escape You!"

Glory be to the Father...

– "My panting Jesus, since You also Wanted to Enclose my life in You, and therefore also my death, I pray You, for this Most Bitter Agony of Yours, to come to my assistance at the moment of my death."

Final Prayer

"Jesus I have Given You my heart as Refuge and Rest, my arms to Sustain You, and All of my being at Your disposal; and—O, how gladly I would Give myself into the hands of Your enemies, to die in Your place! Come, O Life of my heart, at that moment, to Return to me All I have Given You: Your Company, Your Heart as Bed and Rest, Your Arms as Support, Your labored Breath to alleviate my labors; In Such A Way that, in breathing, I shall breathe through Your Breath which, like Purifying Air, shall Purify me of any stain, and shall dispose me to Enter the Eternal Beatitude."

"I LOVE YOU!" and pray You that Your Eternal Fiat be Known, and just as It Reigns Triumphantly in Heaven, It may come to Reign Triumphantly in the midst of creatures.

Prayer

"...I leave myself inside of You Jesus, in order to Follow whatever You do; Even More, You Yourself shall do it for me. In You I leave my thoughts, to Defend You from Your enemies; my breathing, as Cortège and Company; my heartbeat, to tell You, constantly, that I Love You and to make up for the Love which others do not Give You; the drops of my blood, to Repair You and to Render back to You the Honor and the Esteem which they shall take away from You with insults, spit and slaps."

Ant. "My Jesus, Bless me and let me sleep in Your Adorable Heart; and from Your Heartbeats, accelerated by Love or by Sorrow, I shall be able to wake up often, so as not to interrupt our company."

Reading: V7 – 11.9.1906

"My daughter, the one who meditates Continuously on My Passion and Feels Sorrow for It and compassion for Me, pleases Me So Much that I Feel as though Comforted for All that I Suffered in the Course of My Passion; and by Always Meditating on It, the soul Arrives at Preparing a Continuous Food. In this Food there are many different Spices and Flavors, which Form different Effects. So, if in the Course of My Passion they Gave Me ropes and chains to tie Me, the soul Releases Me and Gives Me Freedom. They despised Me, spat on Me, and dishonored Me; she Appreciates Me, Cleans Me of that spittle, and Honors Me. They stripped Me and scourged Me; she Heals Me and Clothes Me. They crowned Me with Thorns, mocking Me as

King, embittered My Mouth with bile, and Crucified Me; while the soul, Meditating on All My Pains, Crowns Me with Glory and Honors Me as her King, Fills My Mouth with Sweetness, Giving Me the Most Delicious Food, which is the Memory of My Own Works; and Unnailing Me from the Cross, she Makes Me Rise Again in her heart. And Every Time she does so, I Give her a New Life of Grace as Recompense. She is My Food, and I Become her Continuous Food. So, the thing that Pleases Me the Most is Meditating Continuously on My Passion."

Responsory

"Let us Make this Agreement,

"Ah, my Jesus, I see that as they drag You, You leave behind Yourself Your Precious Blood, and Your Golden Hair which they tear from Your Head! My Life and my All, allow me to Gather it, that I may Bind All the steps of creatures who do not spare You even at nighttime; rather, they use the night to offend You More, some for gatherings, some for pleasures, some for theatricals, some for committing sacrilegious thefts!"

Ant. "My Jesus, I Unite myself to You in order to Repair for All these offenses."

Reading: V11 – 8.14.1915

"...the more the soul remains around Me, Kissing My Wounds, Repairing Me, offering My Blood—in a word, Re-doing all that I did during the Course of My Life and My Passion—the More Supports she Forms so that I can Lean on them and not fall from the continuous blows, and the larger the circle becomes in which souls find the Support not to fall into sin, and be Saved.

"Do not get tired, my daughter, of being around Me, and to continue to Making your Round over My Wounds, over and over again. I Myself shall Administer the thoughts, the affections, the words, so that you may remain around Me. Be faithful to Me—time is tight. Justice Wants to display Its Fury, and creatures irritate It. It is Necessary to Multiply More Supports; so, Do Not Fail your Work."

Prayer

"Jesus, be Always with me. Sweet Mama, let us Follow Jesus Together. ... My Jesus, I Hug You; Even More, I Want to Form a Wall with my being and I Offer You my cheek with Courage, ready to bear any suffering for Love of You. I Compassionate You for this outrage of the violent slap of Annas' servant that bruised Your Most Holy Face, and Together with You I Repair for the fearfulness of many souls, who get easily discouraged. I Repair for All those who, out of fear, do not speak the Truth; for the lack of Respect due to priests, and for murmuring."

Ant. "I too Want to Follow You in these Reparations against nighttime sins, and on the way to Caiaphas, I send You my sighs in order to Defend You from Your enemies."

Reading: V28 – 4.12.1930

“My daughter, if you Want to Defend Me in a way that the offenses might not reach Me, Repair Me in My Divine Will, because as you Repair in It, you shall Form a Wall of Light around Me, and if they offend Me, the offenses shall remain outside of this Wall of Light—they shall not enter inside; and I shall feel Defended by this Wall of Light—that is, by My Own Divine Will—and shall remain as though Safe. So, your Love in My Divine Will shall Form for Me a Wall of Love, of Light; your Adoration, your Reparations, shall Form for Me a Wall of Light, of Adorations and of Reparations, in such a way that the lack of Love, the scorns of creatures shall not reach Me, but shall remain outside of these Walls. And if I feel them, I shall feel them as though from afar, because My daughter has Surrounded Me with the Impregnable Wall of My Divine Will.”

Reading: V18 – 10.4.1925

“See, here are the prayers I (Jesus) did at nighttime, Covered with Bitter Tears and with ardent Sighs for the Salvation of All. They are All in Waiting, to Give themselves to creatures, in order to Give them the Fruits which they Contain. Daughter, Enter into them, Cover yourself with My Tears, Clothe yourself with My Prayers, so that My Divine Will may Accomplish in you the Effects which are in My Tears, Prayers and Sighs. My Will keeps, as though Lined up within Itself, the Pains of My Childhood, All of My Interior Acts of My Hidden Life, which are Prodigies of Grace and of Sanctity; All the Humiliations, Glories and Pains of My Public Life, and the Most Hidden Pains of My Passion. Everything is Suspended—the Complete Fruit has not been taken by creatures; and I AM Waiting for the ones who Must Live In My Divine Will, so that they may no longer be Suspended, but may Pour themselves upon them, to Give them their Complete Fruit. Only the ones who Must Live In My Divine Will shall Make My Goods no longer be Suspended. Therefore, Enter Into My Every Act and Pain, that My Divine Will may be Fulfilled in you.”

Reading: V11 – 6.15.1916

"Daughter, Pour yourself into My Divine Will to Make Complete Reparations for Me. My Love Feels an Irresistible Need for them; after So Many Offenses of creatures, it Wants one at least who, placing herself between Me and them, would Give Me Complete Reparations, Love for All, and would Snatch from Me Graces for All. But you can do this Only In My Divine Will, in which you shall find Me and All creatures. O, with what Yearnings Am I Waiting for you to Enter into My Divine Will, to be able to Find in you the Satisfactions and the Reparations of All! Only in My Divine Will shall you Find All things in Act, because I AM Engine, Actor and Spectator of Everything."

Ant. "I Want to Fuse my tongue in Yours, and also the tongues of All creatures, in order to Repair with Your Own Tongue for All sins and evil discourses."

Final Prayer

"And I Want, my thirsty Jesus, to Unite All Voices into One with Yours, so that, when we are about to Offend You, as Your Voice Flows in those of All creatures, it may suffocate the voices of sin and turn them into Voices of Praise and of Love."

Prayer

“My Divine King, I Want to Repeat Your Prayers and Reparations, as I Accompany You to Herod.”

Ant. “My crazy Jesus, I too Want to Call You crazy, but Crazy With Love.”

Reading: V13 – 9.16.1921

I was Making the Hour of the Passion in which my Sweet Jesus was in the palace of Herod, clothed as a madman and mocked. And my always Lovable Jesus, Making Himself seen, told me: “My daughter, not only then was I clothed like a madman, sneered at and mocked, but creatures continue to give Me these Pains; even more, I AM under continuous mockeries, and by all kinds of people. If a person goes to Confession and does not maintain his Resolutions Not To Offend Me—this is a mockery that he Makes of Me. If a Priest confesses, preaches, administers the Sacraments, and his life does not correspond to the words he says and to the Dignity of the Sacraments he Administers—he mocks Me as many times for as many words as he says, and for as many Sacraments as he Administers. While I Give them New Life in the Sacraments, they Give Me scorns and mockeries; and by profaning them, they prepare for Me the garment to clothe Me as a madman. If superiors command Sacrifice, Virtue, Prayer and Disinterest to their subjects, while they conduct a life of comfort, of vice and of interest—these are as many mockeries that they Make Of Me. If civilian and ecclesiastical leaders want the observance of the laws, and they are the first transgressors—these are mockeries that they Make Of Me.

O, how many mockeries they Make Of Me! They are So Many that I AM Tired of them, especially when they put the poison of evil under Good. O, how they Make Fun Of Me, as if I were their amusement and their pastime! But sooner or later Justice shall Make Fun of them, by Punishing them Severely. You—Pray and Repair for these mockeries which Grieve Me So Much, and are the Cause for which I do not Make Myself Known for Who I AM.”

Wednesday Proper

First Reading: V17 – 7.1.1924

...while I was trying to follow Jesus in the different Mysteries of His Passion, I arrived at accompanying Him in the Mystery of His Painful Scourging. At that moment, He moved in my interior, Filling All of myself with His Adorable Person... "My daughter, let us Pray Together. There are certain sad times in which My Justice, unable to contain Itself because of the evils of creatures, would Want to Flood the earth with New Scourges; and so Prayer in My Divine Will is Necessary, which, Extending over All, places itself as Defense of the creatures, and with its Power, prevents My Justice from approaching the creature to strike her."

How Beautiful and Touching it was to hear Jesus Pray! And since I was Accompanying Him in the Sorrowful Mystery of the Scourging, He Made Himself Seen Pouring out Blood, and I heard Him say: "My Father, I offer You this Blood of Mine. O Please, let It Cover All the intelligences of creatures, rendering vain All their evil thoughts, dimming the fire of their passions, and Making Holy Intelligences Rise Again. May this Blood Cover their eyes and be a Veil to their sight, so that the taste of evil pleasures may not enter them through their eyes, and they may not get dirty with the mud of the earth. May this Blood of Mine Cover and Fill their mouths, and Render their lips dead to blasphemies, to imprecations, to All of their bad words. My Father, may this Blood of Mine Cover their hands, and strike terror in man for so many evil actions. May this Blood Circulate in Our Eternal Will in order to Cover All, to Defend All, and to be a Defending Weapon for the creature before the Rights of Our Justice."

Responsory

"My Jesus, ... Your Voice Resounds in my heart,
– and I Follow whatever You Do."

Second Reading: V6 – 9.26.1904

"My daughter, not only was the Crowning with Thorns *Triple*, but almost All the Pains I Suffered in My Passion were *Triple*. *Triple* were the three Hours of Agony in the Garden; *Triple* was

the Scourging, as they scourged Me with three different types of lashes; three times did they strip Me, and as many as three times was I condemned to death: at nighttime, early in the morning, and in broad daylight. *Triple* were My Falls under the Cross; *Triple* the nails; three times did My Heart pour out Blood: in the Garden by Itself; in the Act of the Crucifixion from Its very Center, when I was stretched well on the Cross—So Much So that My Body was all dislocated and My Heart was smashed inside and poured out Blood; and after My Death, when My Side was opened with a lance. *Triple* were the three hours of Agony on the Cross. If one Wanted to ruminate on everything—oh, how many '*Triples*' he would find! And this was not by chance, but everything was so because of Divine Disposition, to Render the Glory Due to the Father Complete, as well as the Reparation owed to Him by creatures and the Good to be Earned for creatures themselves. In fact, the Greatest Good that the creature has Received from God was being Created in His Image and Likeness, and Endowed with three Powers—*intellect, memory and will*—and there is no sin that the creature commits in which these three Powers do not concur. So, she stains and disfigures the Beautiful Divine Image that she contains within herself, using the Gift to Offend the Giver. And I, in order to Restore this Divine Image in the creature and to Give God All the Glory that the creature owed Him, Concurred with All My Intellect, All My Memory and All My Will, in a Special Way with these '*Triples*' Suffered by Me, in order to Render both the Glory Due to the Father and the Good which was Necessary for creatures Complete."

Ant. “And now I Want to dry Your Blood and Kiss You, because I see that Your enemies take You to Pilate, who shall condemn You to death.”

Reading: V19 – 6.20.1926

“My daughter, as Pilate said ‘*Ecce Homo*’, All cried out: ‘*Crucify Him, Crucify Him—we Want Him Dead!*’ And so did My very Celestial Father and My Inseparable and Pierced Mama,

and not only those who were present, but All the absent and All generations, past and future. And if someone did not say it with words, he said it with facts, because there was not a single one who said he Wanted Me alive, and to keep silent is confirmation of what others Want...

"This cry of Death from All was so very Painful for Me; I felt as many Deaths for as many as were the people who cried out: *'Crucify Him!'* I felt as though Drowned with Pains and with Death; More So, since I could see that each Death of Mine would not bring Life to each one, and those who Received Life because of My Death would not Receive All the Complete Fruit of My Passion and Death. My Sorrow was So Great, that My Moaning Humanity was about to Succumb and Breathe Its last; but while I was Dying, with Its All-Seeingness My Supreme Will made present to My Dying Humanity All those who would let the Eternal Volition Reign in them with Absolute Dominion, who would Take the Complete Fruit of My Passion and Death. Among them there was My Dear Mother, as their Head. She took All the Deposit of All My Goods and of the Fruits Contained in My Life, Passion and Death—not even one Breath of Mine did She allow to be lost, nor did She fail to keep Its Precious Fruit in Her Custody. And from Her they were to be Transmitted to the little Newborn of My Divine Will and to All Those in whom the Supreme Volition would have Its Life and Its Kingdom."

Responsory

"Jesus, My Love, help me to Follow Your Sorrowful Way,
– and Bless me."

Prayer

"I Give You Your Beauty to Relieve You from the ugliness of our souls, when we muddy ourselves in sin. I Give You Your Purity to Relieve You from the lack of Righteous Intention, and from the mud and rot You see in many souls."

Ant. "I Give You Your Immensity to Relieve You from the voluntary constraints into which souls put themselves."

Reading: V14 – 2.24.1922

"My daughter, when I Received the Cross, I Looked at It from top to bottom, to see the place that each soul would take in My Cross. Among So Many of them, I Looked with More Love and I paid a More Special Attention to those who would be Resigned, and would Live in My Divine Will. I Looked at them, and I Saw their Cross, Long and Large just as Mine, because My Divine Will Made Up For All that their Cross lacked, Making It Longer and Larger like Mine. O, how your Long Cross Stood Out! —So Very Long because of Many years of bed, and Suffered Only to Fulfill My Divine Will. My Cross Existed Only to Fulfill the Will of My Celestial Father; and yours, to Fulfill My Divine Will. One Gave Honor to the other; and since Both Of Them had the Same Measure, they Blended Together.

"Now, My Divine Will has the Virtue of Softening hardness, of Soothing bitterness, of Extending and Enlarging short things. So, when I Felt the Cross upon My Shoulders, I Felt the Softness and the Sweetness of the Cross of the souls who would Suffer in My Divine Will. Ah! My Heart heaved a Sigh of Relief, and the Softness of the Crosses of these souls made My Cross Adapt to My Shoulders, sinking So Much into it as to Make Me a deep Wound;

and although it Gave Me a Sharp Pain, I also Felt the Softness and the Sweetness of the souls who would suffer in My Divine Will. And since My Divine Will is Eternal, their Suffering, their Reparations, their Acts, Ran within each Drop of My Blood, in each Wound, in each Offense. My Divine Will made them be as though Present at the Offenses of the past, from the moment the first man sinned up to the present and future Offenses. They were the ones who Returned to Me the Rights of My Divine Will; and for Love of them, I Decreed Redemption. And if others Enter into It, it is because of These Souls that they Partake In It. There is no Good I Concede, either in Heaven or on earth, which is not Because Of Them."

Responsory

"Jesus, Give You Your Ardor to Burn All sins and All hearts,
– so that All may Love You, and No One May Offend You,
Ever Again."

Ant. "My Suffering Jesus, I too Unite with the Pierced Mama."

Reading: V13 – 11.16.1921

"My daughter, during the Course of My Passion All the
other Pains competed with each other, but they would alternate
—one would give the place to another. Almost like sentries,
they would mount guard to do the worst to Me, and to boast
about having been better than the other. But the Ropes were
never taken away from Me—from the moment I was taken up
to Mount Calvary I remained Always Bound; rather, they kept
adding More and More Ropes and Chains for fear that I might
escape, and to make More Fun Of Me. But how Many Pains,
Confusions, Humiliations and Falls did these Chains Procure Me!

"However, Know that in these Chains there was a Great
Mystery and Great Expiation. As man begins to fall into sin,
he remains Bound with the chains of his own sin; if it is grave,
they are iron chains; if venial, they are chains of rope. So, as he
tries to walk in Good, he Feels the hindrance of the chains, and
his step remains hindered. This hindrance he Feels wears him
out, debilitates him, and leads him to new falls. If he works, he

feels hindrance in his hands and remains almost as if he had no hands to do Good. In seeing him Bound like this, passions make feast and say: 'The victory is ours'; and from the king he is, they render him slave of brutal passions. How abominable man is in the state of sin! And I, in order to Break his Chains, Wanted to be Bound and Never Be Without Chains, so as to Keep My Chains Ever Ready to Break his. And when the blows and the shoves would make Me fall, I would Stretch My Hands toward him to Untie him and Make him Free Again."

As He was saying this, I saw almost All peoples Bound by Chains, in such a way as to arouse pity; and I Prayed Jesus to touch their Chains with His Chains, so that, at the touch of His Chains, those of the creatures would be All shattered.

Responsory

On the other hand, if you do not Reflect yourself in Me, the littlest pains shall seem heavy to you, and you will hold grave defects as nothing.”

You, I Love You!"

Ant. "On that Wound which Gives You So Much Pain from the
So Many irreverences to Your Most Holy Person, I intend to Place

Reading: V34 – 5.6.1937

I took part of Jesus' Sufferings, and I died Together with
Him; His Divine Blood Flowed, His Wounds were Open.

And He, with a Tender and Moving Accent, as to Feel my

heart burst, Told me: "I AM within you, I AM yours, I AM at your disposition. My Wounds, My Blood, All My Sufferings are yours, you can do with Me what you Want, rather, do it as Magnanimous, as Brave, as Lover, as My True Imitator. Take My Blood in order to Give It to whomever you Want. Take My Wounds in order to Heal the wounds of sinners. Take My Life in order to Give the Life of Grace, of Sanctity, of Love, of Divine Will, to All souls. Take My Death in order to Make Many souls dead in sin Rise Again. I Give you All The Freedom; Do It, Know How To Be My daughter. I have Given Myself and That Is Enough.

"You, think of Making Everything Redound to My Glory, and of how to Make Me Be Loved. My Divine Will shall Give you the Flight in order to Make you Bring My Blood, My Wounds, My Kisses, My Paternal Tendernesses, to My children and to your brothers."

Responsory

"O my Jesus, I Want to Diffuse myself in Everything, and in those Wounds embittered by the Many misbeliefs, I desire that the shreds of my body Tell You, Always:

– 'I Believe—I Believe In You, O my Jesus, my God, and In Your Holy Church, and I intend to Give my Life to Prove my Faith To You!'"

Glory be to the Father...

– "O my Jesus, I Plunge myself into the Immensity of Your Will, and Making It my own, I Want to Compensate for All, and Enclose the souls of All in the Power of Your Most Holy Will."

Our Father . . .

Final Prayer

"O Jesus, I still have my blood left, which I Want to Pour Over Your Wounds as Balm and Soothing Liniment, in order to Relieve You and Heal You Completely."

Wednesday Night Prayer

Ant. "Again, I intend, O Jesus, to Make my thoughts flow in the heart of every sinner, to reprimand him Continuously, that he May Not Dare to Offend You."

Reading: V8 – 10.4.1907

“Daughter, the Cross is part of one’s Life, and only one who Does Not Love his own Life, does not Love the Cross, because it was with the Cross alone that I Grafted the Divinity to lost humanity. Only the Cross continues Redemption in the world, Grafting anyone who Receives It into the Divinity; and if one Does Not Love It, it means he Knows Nothing of Virtues, of Perfection, of Love of God, and of True Life. It happens as to a rich man who has lost his riches, and is presented with the means to reacquire them again—and maybe even more. How much does he not Love this means? Does he perhaps not put his own life into this means in order to find life again in his riches? Such is the Cross. Man had become so very poor, and the Cross is the means not only to Save him from misery, but to Enrich him with All Goods. Therefore, the Cross is the Richness of the soul.”

fiat

Thursday Proper

First Reading: V1 – 1.14.1899

“Do you Want to be Filled with Immense Riches—not for a short time, but for All Eternity? Well then, the Cross shall Administer to you All Kinds of Riches—from the tiniest cents, which are the little crosses, up to the Greatest Amounts, which are the heavier crosses. Yet, men are so greedy to earn a temporal penny, which they soon shall have to leave, but do not give a thought to earning one Eternal Cent. And when I, having Compassion for them, in seeing their carelessness for All that regards Eternity, kindly offer them the opportunity—instead of cherishing it, they get angry and offend Me. What human madness—it seems that they understand it upside down. My beloved, in the Cross are All the Triumphs, All the Victories, and the Greatest Gains. You Must Have no Aim other than the Cross, and it shall be Enough for you, in Everything. Today, I Want to Make you Content; that Cross which until now has not been enough to lay you on and Crucify you Completely, is the Cross that you have carried up to now. But since I have to Crucify you Completely, you Need New Crosses which I shall let Descend upon you. So, the Cross you have had until now, I shall Bring to Heaven, to show it to the whole Celestial Court as Pledge of your Love, and I shall Make Another One Descend from Heaven—a Larger One, to be able to Satisfy the Ardent Desires I have upon you.”

Responsory

“Blessed Feet of my Jesus, I Kiss You, I Adore You, I Thank You; and for the Most Bitter Pains You Suffer, for the Tearing and for the Blood You Shed,

– I pray You to Enclose All souls in Your Most Sacred Wounds.”

Second Reading: V3 – 5.1.1900

“My daughter, if the Eucharist is the Deposit of the Future Glory, the Cross is the Disbursement with which to Purchase it. If the Eucharist is the Seed which prevents corruption—like those aromatic herbs that prevent decomposition when applied

to cadavers—and Gives Immortality to soul and body, the Cross Embellishes and is So Powerful that if debts have been contracted, it becomes their guarantor, and it more surely obtains the restitution of the debt's deed. And after it has satisfied every debt, it Forms for the soul the Most Refulgent Throne in the Future Glory. Ah, yes, the Cross and the Eucharist alternate, and one Operates More Powerfully than the other."

Then He added: "The Cross is My Flowery Bed, not because I did not Suffer Harrowing Spasms, but because by means of the Cross I delivered Many souls to Grace, and I could See Many Beautiful Flowers Bloom, which would Produce Many Celestial Fruits. So, in Seeing So Much Good, I held that Bed of Suffering as My Delight, and I Delighted in the Cross and in Suffering. You too, My daughter—take pains as Delights, and Delight in being Crucified on My Cross. No, no, I Do Not Want you to Fear suffering, almost Wanting to act as a sluggard. Up, Courage! Be Brave and, on your own, Expose yourself to suffering."

Prayer

"I wish I could Give You Life for Life. If it were possible, I would Want to unnailed You from the Cross and put myself in Your place; but I see that I am nothing and can do nothing—I am too insignificant."

Ant. "Therefore, Give me Yourself; I shall take Life in You, and in You, I shall Give You Yourself. In this way You shall satisfy my yearnings."

Reading: V36 – 9.5.1938

"My Blessed daughter, How Much My Divine Will Suffers in the creature. It is sufficient to tell you that every time she does her human will she Crucifies Mine. Therefore, the Cross of My Divine Will is the human will; but not with three nails, as I was Crucified on the Cross, rather, with a nail for each time that she opposes My Divine Will. How Many Times My Divine Will is Not Recognized; and, while It Wants to Do Good, It is rejected with the nails of ingratitude. How excruciating is this Crucifixion of My Divine Will in the creature. How Many Times It Feels as if being nailed by her breath, heartbeat and motion because, not being Known as the Life of that breath, heartbeat and motion, the human breath, heartbeat and motion become nails for It—Preventing It from Doing, in them, the Good that It Wants."

Responsory

"O Jesus, and I Intend to Follow You
– and to Repair for All These Offenses.

Thursday Midday

Ant. "Jesus, I too, yes, Agonize Together With You."

Ant. "So, All Together, let us Take this Blood, let us Ask the Sorrowful Mother to Unite Herself to us... and let us Make our Round, going to the help of All."

Reading: V23 – 1.27.1928

"...in the Redemption, the Depository of All My Acts was My Inseparable Mama. It can be said that, as I was about to Breathe, to Cry, to Pray, to Suffer, and everything else I did, first I called Her to Receive My Breaths, My Tears, My Suffering, etc., in order to Deposit them in Her, and then I Breathed, Cried and Prayed. It would be unbearable to Me, and a Sorrow that would Surpass any other Sorrow, if I did not have My Mama in Whom I could Deposit My Acts."

Reading: V23 – 1.27.1928

“Now, since All the Acts of the Kingdom of My Divine Will are Enclosed in those of Redemption, even from that time I (Jesus), called you (Luisa), and as I Deposited in the Sovereign Queen of Heaven Everything that Regarded the Kingdom of Redemption, so did I Deposit in you (Luisa) what Regarded the Kingdom of the Supreme Fiat. This is why I Want you to Follow Me, Step by Step; and if, a little child, I Cry, I Want you near Me in order to Give You the Gift of My Tears, with which I Impetrated for you the Great Gift of My Divine Kingdom. Reading: V36 – 5.15.1938

"My daughter, the More one suffers, the More he feels the need to be Loved. I AM the One Who Suffered More Than anybody else, and My Pains, My spilled Blood and My Tears turned into Loving Voices, Imploring Love from those I Love So Much, and who Made Me Suffer and Cry So Much. Those who Love Me bring the Sweetest Relief to My Pains; they dry My Tears while My Blood turns into a Bath of Love for them. But do you know who turns My Suffering and Tears into Joy and Gladness? Those who Live in My Divine Will. They Always Find in It Love with which to Love Me, Sustaining Me in My Suffering and Giving Me Continuous Relief."

Responsory

“O Jesus, I Ask Your Forgiveness for All those who use their sight to Offend You and insult You, Asking You, for the sake of the Pains Suffered in Your Most Sacred Eyes,

Reading: V36 – 4.20.1938

"My good daughter! The Pain that Most Transfixed Me on the Cross was My Ardent Thirst. I Felt I was Burning alive since All the vital humors had Gone out Through My Wounds, which were Burning and Wanted to Quench, like Many Mouths, Their Terrible Thirst. I just couldn't Contain Myself anymore, so I Shouted: '*I Thirst!*' This, '*I Thirst,*' remained and is Always in the Act of saying: '*I Thirst!*' I Never Stop Saying It. With My Open Wounds, with My Burnt Lips, I AM Always Repeating: '*I AM Burning—I Thirst! Please, Give Me a little drop of your Love to soothe My Ardent Thirst.*'"

"In everything the creature does I Keep Repeating with My Mouth, Opened and Burned: '*Let Me drink. I'm Burning of Thirst.*' My Dislocated and Wounded Humanity Had Only One Cry: '*I Thirst!*' Therefore, as the creature walks, I Shout to her steps with My dry Mouth, '*Give Me your steps—done for Love of Me, to Quench My Thirst.*' If she works, I Ask for her works—Made Only for Love of Me, to Cool My Burning Thirst; if she speaks, I Ask for her words; if she thinks, I Ask for her thoughts—as many little drops to Refresh My Ardent Thirst. It wasn't just My Mouth that was Burning, but All My Most Holy Humanity Felt the Urgent Need of a Refreshing Bath for the Ardent Fire of Love that Burned within Me; and since it was for the creatures that I was Burning in Excruciating Pains, only creatures, with their Love, could Quench My Ardent Thirst and Give to My Humanity a Refreshing Bath. Now, I left this Cry: '*I Thirst!*' inside My Divine Will and I Made the Commitment to Make the creatures Hear It Over and Over Again—to Move them to Compassion for My Burning Thirst; to Give them My Bath of Love and Receive theirs—though being just little drops—to Quench My Devouring Thirst. But who is listening to Me? Who has Compassion for Me? Only the one who Lives in My Divine Will. All the others play deaf and even increase My Thirst with their ingratitude—Making Me Restless and with No Hope of Refreshment."

Prayer

“Jesus, I Ask Your Forgiveness in the name of All, for All the times we have been ungrateful at Your Benefits, for our Many works done without Upright Intention.”

Ant. “In Reparation for All these Offenses, I intend to Give You All the Perfection and Sanctity of Your Works, to Give You All the Glory that the creatures Would Have Given You, had they Corresponded to All of these Benefits.”

Reading: V28 – 2.22.1930

“My daughter, by withdrawing from My Divine Will, man (Adam) gave death to the Goods that My Divine Volition would have Made Rise in him, had It not been rejected. As he went out, so died the Continuous Act of the Divine Life in man; died the Sanctity that Always Grows, the Light that Always Arises, the Beauty that Never Stops, Always to Embellish; the Untiring Love that Never Says Enough, that Always—Always Wants to Give. More So since, by his rejecting My Divine Will, died the Order, the Air, the Food that was to Nourish him Continuously. See, then, How Many Divine Goods man caused to die within himself by withdrawing from My Divine Will...”

Friday Proper

First Reading: V20 – 12.12.1926

“My daughter, in My Passion there is a Lament of Mine that Came Out with Immense Sorrow from the Depth of My Tormented Heart: ‘They divided My Garments and drew lots for My Tunic.’ How Painful it was for Me to see My Garments being divided among My very executioners, and My Tunic being gambled away. It was the only object I Possessed, Given to Me, with So Much Love, by My Sorrowful Mama; and now, they not only stripped Me of it, but they made of it a game.

“But do you know who Pierced Me the Most? In those Garments, Adam became present to Me, Clothed with the Garment of Innocence and Covered with the indivisible Tunic of My Supreme Will. In Creating him, the Uncreated Wisdom Acted as more than a most loving mother; more than with a tunic, It Clothed him with the Unending Light of My Divine Will—a Garment that is not subject to being either disarranged, or divided, or consumed; a Garment that was to Serve man in order to Preserve the Image of his Creator and the Gifts Received from Him, and that was to Render him Admirable and Holy in All his things. Not only this, but It Covered him with the Over-Garment of Innocence. And Adam, in Eden, with his passions divided the Garments of Innocence, and he gambled away the Tunic of My Divine Will—a Garment that is Incomparable and of Radiant Light.”

Responsory

“O my Jesus, I Kiss Your Most Sacred Heart, and I Thank You for All You have Suffered, Desired and Yearned for,
– for Love of All and for Each One In Particular.”

Second Reading: V20 – 12.12.1926

“What Adam did in Eden was repeated under My Eyes on Mount Calvary. In seeing My Garments being divided and My Tunic gambled away—Symbol of the Royal Garment Given to man, My Sorrow was So Intense that I Made Of It a Lament. It became present to Me when creatures, in doing their own human will, make a game of Mine, and the so many times in which they divide the Garment of Innocence with their passions.

All Goods are Enclosed in man by Virtue of this Royal Garment of the Divine Will; once this is gambled away, he remains uncovered, he loses All Goods, because he Lacks the Garment that kept them Enclosed within himself. So, among the many evils that creatures do by doing their own human will, they add the irreparable evil of gambling away the Royal Garment of My Divine Will—a Garment that cannot be substituted with any other garment.”

“...My daughter, both My Mama and I Came to set Fraternal Bonds with creatures; We Came to Raise decayed humanity, and therefore to Take Up the miseries and humiliations into which it had fallen, in order to Expiate for them at the Cost of Our Lives. Had they seen Us Clothed with Light, who would have dared to approach Us and to deal with Us? And in the Course of My Passion, who would have dared to touch Me? The Light of the Sun of My Divine Will would have blinded them and crushed them to the ground.

“Therefore, I had to Make a Greater Miracle, hiding this Light within the Veil of My Humanity, and appearing as one of them, because It represented, not Adam Innocent, but Adam fallen, and so I was to subject Myself to All of his evils, taking them upon Myself as if they were My Own, in order to Expiate for them before Divine Justice. But when I Rose Again from death, Representing Adam Innocent, the New Adam, I Ceased the Miracle of Keeping the Garments of the Refulgent Sun of My Divine Will Hidden within the Veil of My Humanity, and I Remained Clothed with Most Pure Light; and with this Royal and Dazzling Garment I Made My Entrance into My Fatherland, leaving the Doors Open that had remained closed up to that point, so as to Let All Of Those Who Had Followed Me Enter.

“Therefore, by not Doing Our Divine Will, there is No Good that one does not lose, and there is no evil that one does not acquire.”

Ant. "We Thank You, O Blessed Virgin, and in order to Thank You as You Deserve, we Offer You the very Thanksgivings of Your Jesus."

Reading: V36 – 4.20.1938

"...All that I Did and Said in My Divine Will, is Always in the Act of Saying to My Sorrowful Mother: *'Mother, here are Your children.'* I place Her at their side as Help and Guide, to be Loved by Her children; every instant She Feels Her Own Son close to All the children. O! How Much She Loves them Giving them Her Maternity, to Make Myself Loved as She Loves Me. Not only this, but by Offering Her Maternity She Offers Perfection also among creatures, so that they Love each other with Maternal Love, which is a Constant, Sacrificing, Unselfish Love. But who Receives All this Good? Only the one who Lives in Our Fiat Feels the Maternity of the Queen. She Feeds Her children with Her Maternal Heart, to let them Suck and Receive the Maternity of Her Love, Her Sweetness, and All the Riches of Her Maternal Heart.

"My daughter, the one who Wants to Find Me—who Wants to Receive All Our Goods and My very Mother, Must Enter Our Will and Remain There. Our Will is not only Our Life, but It Forms Around Us—with Its Immensity—Our House, in which

It Keeps All Our Acts, Words and Being, always in Action. Our Things Never get out of Our Divine Will; the one who Wants It can Only Live Together with It, and then she Possesses Everything— Nothing Is Denied. If We Give Our Things to one who is Not Living in Our Divine Will, she shall neither Appreciate them, nor Love them; she won't Feel the Right to Make them her own, and when things are Not Possessed, Love Does Not Arise—it dies."

Responsory

"O Sweet Mama, be our Mother, Take Care of us,
– and Do Not Allow Us To Offend You Even Slightly."

Glory be to the Father...

– "Keep us Always Clasped to Jesus; with Your Hands Bind us, All of us, to Him, that we may Not Escape Him, Ever Again."

"...And while we are Embraced like this Jesus, I shall place my face upon Your Heart, and then, with Trust, I shall Kiss Your Lips, and You shall Give me Your Kiss of Love."

Ant. "So You shall Make me breathe Your Most Sweet Breath, Your Love, Your Will, Your Pains, and All of Your Divine Life."

Reading: V35 – 11.29.1937

"My little daughter of My Divine Will, Know that All the Pains that My Most Holy Humanity Suffered on earth—Every Tear I Shed, Every Drop of My Blood, Every Step and Motion, and even My Breath—were and still are Invested by One Single Voice, with which they Speak and Shout Continuously: *'We Want the Kingdom of the Divine Will to Reign and Dominate in the midst of the creatures. We Want Our Divine Rights to be Placed in Force.'* And they Pray, Speak and Moan around Our Supreme Throne, Without Ever Ceasing, that the Will of Heaven and of the earth May Be One.

"Now, whoever Unites with My Sufferings, with My Heartbeats, Breaths, Steps and Works—Prays, Speaks and Moans Together with All I Did and Suffered on earth. There is no Good that does not Arise from My Sufferings. United with those of the creature, My Sufferings Form the Depository—the Hosts that Receive her pains, Forming One Single Prayer Together, One Single Voice—One Single Will. Even More, My Pains Carry the pains of the creature and Everything she does before Our Majesty, in order to Make her Want and Do what I Did..."

Responsory

"Most Holy Shoulders of my Jesus, Always Strong and Constant in Suffering for Love of me,

– Give me the Strength, the Constancy and the Heroism to Suffer for Love of Him."

Friday Midday

"I LOVE YOU!" and pray You that Your Eternal Fiat be Known, and just as It Reigns Triumphantly in Heaven, It may come to Reign Triumphantly in the midst of creatures.

Prayer

"It Is The Flames of Your Love, O Jesus, that Torment You the Most."

Ant. "O my Good, let me Take Part in them; does a soul so cold and poor in Your Love not Move You to Compassion?"

Reading: V12 – 8.7.1918

"...When the soul is well Disposed and Gives Me Life within herself, I Live Again in her as if within My Humanity. The Flames of My Love Burn Me, and I Fidget to Prove it to the creatures and say: 'Do you see how Much I Love you? I AM not content with having Consumed Myself on the Cross for Love of you—I Want to Consume Myself for Love of you in this soul who Gave Me Life within herself.' So I Make the soul Feel the Consummation of My Life within her. The soul Finds herself as though in a tight corner; she suffers mortal agonies. No longer Feeling the Life of her Jesus within herself, she Feels Consumed. Feeling that My Life in her—with which she was accustomed to Living—is missing, she struggles and trembles, almost like My Humanity on the Cross when My Divinity let It Die, withdrawing Strength from It.

"This Consummation of the soul is not human, but Fully Divine; and I Feel Satisfaction as if Another Divine Life of Mine had Consumed Itself for Love of Me. In fact, it was not her life that was Consumed, but Mine, which she can no longer feel or see, and it seems to her that I have Died for her. And I Renew

the Effects of My Consummation for creatures, while I Redouble Grace and Glory to this soul. I Feel the Sweet Enchantment, the Attractions of My Humanity, which allowed Me to do whatever I Wanted. Therefore, you too, let Me Do whatever I Want within you—let Me be Free, and I shall Carry out My Life.”

Responsory

“Most Holy Hands of my Jesus, You who have Created Heaven and earth,
– are now reduced to being unable to move!”

Ant. "O my Jesus Crucified, I Adore Your Most Precious Blood..."

Reading: V12 – 12.6.1919

"Jesus my Love, in Your Divine Will I Find All generations; and in the name of the whole human family, I Adore You, I Kiss You, I Repair You for All. I Give Your Wounds and Your Blood to All, so that All may Find their Salvation. And if the lost souls can

no longer Benefit from Your Most Holy Blood, nor Love You, I Take It in their Place, in order to Do what they should have Done. I do not Want Your Love to remain defrauded in Anything on the part of creatures. I Want to Compensate, Repair You, Love You for All, from the first to the last man..."

While I was saying this and other things, my Sweet Jesus stretched His Arms around my neck, and Squeezing All of me, told me: "My daughter (Luisa), Echo of My Life, while you were Praying, My Mercy was Softening, and My Justice was losing sharpness—and not only in the present time, but also in the future, because your Prayer shall remain in Act in My Divine Will. By Virtue of it, My Softened Mercy shall Flow More Abundantly, and My Justice shall be less rigorous. Not only this, but I shall Feel the Note of the Love of the lost souls, and My Heart shall Feel for you a Love of Special Tenderness, finding in you the Love which these souls Owed Me; and I shall Pour into you the Graces which I had Prepared for them."

Responsory

"Jesus, I Kiss Your Wounds one by one,

– intending to profuse in them All my Love, my Adorations, my most heartfelt Reparations."

Reading: V12 – 1.4.1919

"Daughter and Refuge of Mine, what Sweet Harmony did your pain Form today in My Divine Will! My Divine Will is in Heaven, and since your pain was in My Divine Will, it Harmonized in Heaven, and with its Cry it Asked the Sacrosanct Trinity for 'Souls!' And as My Divine Will was Flowing in All the Angels and Saints, your pain asked them for 'Souls!'—to the extent that All remained struck by your Harmony, and Together with your pain they All Cried Out Before My Majesty: 'Souls, souls!' My Divine Will Flew in All creatures, and your Pain Touched All hearts, and Cried Out to All Of Them, 'Be saved, be saved!' My Divine Will Centralized Itself in you, and like a Refulgent Sun, It placed Itself on Guard for All, in order to Convert them. See What Great Good—yet, who takes the Care to Know the Value, the Incalculable Price of My Volition?"

Ant. “My Jesus, I too Abandon myself in You...”

Reading: V11 – 7.4.1912

“My daughter, ...Stay in your place—in your Nothingness—so that the All May Keep Its Place In you. But Know that You Must Die Completely in My Divine Will: to the suffering, to the Virtues—to Everything. My Divine Will Must be the Tomb of the soul. Just as nature is consumed in the tomb to the extent of disappearing completely, and by that Consummation It shall Rise Again to a New and More Beautiful Life, In The Same Way the soul, Buried in My Divine Will as if inside a Tomb, shall die to the suffering, to her Virtues, to her Spiritual Goods, and shall Rise Again In Everything To Divine Life.”

Responsory

“...Give me the Grace to die Completely in Your Love—in Your Divine Will,

– and I Pray that You Never Permit me, either in life or in death, To Go Out Of Your Most Holy Divine Will.”

Glory be to the Father...

– “Meanwhile I Intend to Repair for All those who do not Abandon themselves Perfectly to Your Most Holy Divine Will, therefore losing or maiming the Precious Gift of Your Redemption.”

Reading: V11 – 5.2.1915

"Now, the souls who Live in My Divine Will are the Closest ones to My Humanity. Making My Humanity their own—because I Gave It to them—they can Present themselves before the Divinity being Covered by It, like another Me, so as to Disarm the Divine Justice and plead for Forgiveness for the perverted creatures. As they Live In My Divine Will, they Live In Me; and since I Live In Everyone, they also Live In Everyone and For Everyone. They Live Hovering in the air like the sun, while their Prayers, Acts, Reparations and Everything They Do, are like the Rays which Descend from them For The Good Of All."

Saturday Proper

First Reading: V36 – 9.5.1938

“My blessed daughter, How Much My Divine Will Suffers in the creature. It is sufficient to Tell you that every time she does her human will she Crucifies Mine. Therefore, the Cross of My Divine Will is the human will; but not with three nails, as I was Crucified on the Cross, rather, with a nail for Each Time that she Opposes My Divine Will. How Many Times My Divine Will is not recognized; and, while It Wants to do Good, It is rejected with the nails of ingratitude. How excruciating is this Crucifixion of My Divine Will in the creature. How Many Times It Feels as if being Nailed by her breath, heartbeat and motion because, not being Known as the Life of that breath, heartbeat and motion, the human breath, heartbeat and motion become nails for It—preventing It from Doing, in them, The Good That It Wants.

“O! How My Divine Will feels Crucified within the human will. With Its Divine Motion, It Wants to Make the Day Arise Inside the human motion, while the creature Crucifies the Divine Motion, causing the night to come, Putting Light on the Cross too. How Sorrowed My Light feels in being repressed—Crucified—put in a state of incapacity by the human will; and this, to give it the Life of Its Sanctity and Strength; while the creature, by not accepting It, sticks into It the nail of sin—of her passions and weaknesses. Poor Will of Mine. In what a state of Pain and Continuous Crucifixion It finds Itself in the human will, that just keeps putting Our Love on the Cross—Filling with Nails All the Goods We Want to Give her. On the other hand, the one who Lives in My Divine Will, Does Not Crucify My Divine Will; rather, I can Say that I Become her Cross—but this Cross is Very Different. With My Cross, My Divine Will Knows how to Put Nails of Light, Sanctity and Love—to Strengthen her with Our Own Divine Strength. These Nails don’t Give Sufferings, rather, they Make her Happy and Beautiful with an Enchanting Beauty. They are the Bearers of Great Conquests, and the one who Experiences them Feels so Happy that he Prays to Us and Begg Us to Keep him Always on the Cross With Our Divine Nails. From there, Nobody Can Escape. If the two wills—the human and the Divine—are not United, one shall form the Cross of the other. Further, Our Love and Jealousy are such that We don’t Leave her Free—not even a breath without Our Nail of Light and Love—to

have her Always with Us and to say: *'She Does What We Do And Wants What We Want.'*"

Responsory

"My Jesus, I Kiss Your Most Holy Breast, and I Ask Your Forgiveness for All the coldness, indifference, lukewarmness and horrendous ingratitude You receive from the creatures;

– and I Promise You that Every Time I Feel my love for You become cooler, immediately I shall cry out: *'Jesus and Mary, I Commend my soul to You.'*"

Second Reading: V12 – 5.15.1920

"My daughter, My Crucifixion Was Complete, and do you know why? Because It was Done in the Eternal Will of My Father. In this Will, the Cross became So Long and So Wide as to Embrace All centuries, and Penetrate into Every Heart, past, present and future, In Such A Way that I Remained Crucified in the heart of Each creature. This Divine Will put Nails through All of My Interior—into My Desires, Into My Affections and Into My Heartbeats. I can Say that I did not have a Life of My Own, but the Life of the Eternal Will, which Enclosed All the creatures Within Me, and which Wanted Me to Answer for All. My Crucifixion could never have been Complete and So Extensive as to Embrace All, if the Eternal Volition had not been the Actor.

"Luisa, I (Jesus) Want that in you also the Crucifixion be Complete and Extended to All. This is the Reason for the Continuous Call into My Divine Will, for Pushing you to Bring the whole human family before the Supreme Majesty, and to emit, in the name of All, the Acts which they Do Not Do. Oblivion of yourself and lack of self-reflections are nothing other than the Nails put by My Divine Will. My Divine Will does not know how to do small or incomplete Things. Placing Itself Around the soul like a Crown, It Wants her within Itself; and spreading her Within the Whole Sphere of Its Eternal Volition, It Puts the Seal of Its Completion Upon her. My Will Empties the interior of the creature of All that is human, and Places In her All That Is Divine. And In order to be More Sure, It keeps on Sealing All of her interior with as Many Nails for as Many human acts as can have life in the creature, Substituting them with as Many Divine Acts. In This Way, It Forms the True Crucifixion In her—not for a time, but for her Entire Life."

Reading: V32 – 4.23.1933

“My blessed daughter, as My Life down here Began, so it Ended. From the First Instant of My Conception My One Act was Continuous. I can say that in every instant I placed Myself in the Hands of My Celestial Father. It was the Most Beautiful Homage that His Son Gave Him, the Most Profound Adoration, the Most Heroic and Complete Sacrifice, the Most Intense Love of Sonship that My Full Abandonment into His Hands Gave Him. It Rendered My Humanity Speaking, and with Commanding Voice that Asked Everything and Obtained Everything that I Wanted. My Celestial Father Could Not Deny Anything to His Only Son Abandoned in His Arms.

“My Abandonment Every Instant was the Most Welcome Act, So Much So that I Wanted to Crown the last Breath of My Life with the Words: *‘Father, into Your Hands I Commend My Spirit.’* The Virtue of Abandonment is the Greatest Virtue, it is Binding God such that He Takes Care of the Abandoned one in His Arms. Abandonment says to God: *‘I do not Want to know anything of myself; this Life of mine is Yours, not mine, and Yours is mine.’* Therefore, if you Want to obtain Everything, if you Want to Truly Love Me, Live Abandoned in My Arms, let Me Hear the Echo of My Life in Every Instant: *‘Into Your Hands I Abandon myself Completely,’* and I shall Carry you in My Arms as the Dearest of My children.”

Reading: V6 – 12.15.1905

Continuing in my usual state, I was thinking about the Passion of Blessed Jesus; and He, Making Himself seen Crucified, shared with me a little bit of His Pains, Telling me: "My daughter, I Wanted to be Crucified and Lifted Up on the Cross, so that, if they Want Me, souls May Find Me. So, someone Wants Me as Teacher for he Feels the Necessity to be Instructed, and I lower Myself to Teach him both the small things and the Highest and Most Sublime, such as to Make of him the Most Learned. Another moans in abandonment, in oblivion; he would like to Find a father, he comes to the Foot of My Cross, and I Make Myself Father, Giving him a Home in My Wounds, My Blood as Drink, My Flesh as Food, and My Very Kingdom as Inheritance. Another one is infirm, and he finds Me as Doctor Who, Not Only Heals him, but Gives him the sure Remedies in order not to Fall Again into infirmities. Another one is oppressed by calumnies, by scorns, and at the Foot of My Cross he Finds his Defender, to the point of rendering calumnies and scorns back to him as

Divine Honors; and so with All The Rest. So, whoever Wants Me as Judge finds Me as Judge; whoever Wants Me as Friend, as Spouse, as Advocate, as Priest... Such Do They Find Me. This is why I Wanted to be Nailed, Hands and Feet: to oppose nothing of what they Want—to Make Myself as they Want Me. But woe to those who, seeing that I AM Unable to Move even One Finger, dare to offend Me.” While He was saying this, I said: “Lord, who are those that Offend You the Most?” And He added: “Those who Make Me Suffer the Most are the religious who, Living in My Humanity, torment and lacerate My Flesh within My very Humanity; while one who lives outside of My Humanity lacerates Me from afar.”

Responsory

“Poor Mama, How Much Compassion I Feel for You!

Prayer

"My Sorrowful Mama, Crying, I Pray You Not To Allow, for now, that Jesus be Taken away from our gaze."

Ant. "Wait for me to first Enclose myself in Jesus, in order to Take His Life Within me."

Reading: V11 – 6.15.1916

...I Felt the Queen Mama Near me, and She Told me: "My daughter, Pray." And I: "My Mama, let us Pray Together, for by myself I don't know how to Pray." And She added: "The Most Powerful Prayers Over the Heart of My Son, and those which Move Him the Most, are for the creature to Clothe herself with Everything He Himself Did and Suffered, since He Gave Everything as Gift to the creature. Therefore, My daughter, Surround your head With the Thorns of Jesus, Bead your eyes With His Tears, Impregnate your tongue With His Bitterness, Clothe your soul With His Blood, Adorn yourself With His Wounds, Pierce your hands and feet With His Nails, and like Another Christ Present yourself Before His Divine Majesty. This Sight shall Move Him In Such A Way that He shall not be able to Deny Anything to the soul who is Clothed With His Own Insignia. But—O, how little do creatures Know how to Make use of the Gifts which My Son Gave them! These were My Prayers Upon earth, and these are My Prayers in Heaven." So, Together We Clothed Ourselves With the Insignia of Jesus, and Together

we Presented Ourselves before the Divine Throne. This Moved All; the Angels Made Way for us and Remained as though Surprised. I Thanked Mama, and I found myself inside myself.

Responsory

“If You, who are the Spotless, the All Holy, the Full of Grace,
Cannot Live Without Jesus,

– Much Less can I Do it, who am weakness, misery, and
Full of sins.”

Saturday Midafternoon

Ant. "How can I Live without Jesus? Sorrowful Mama, Do Not Leave me Alone, Take me With You; but first Place All of myself in Jesus."

to my Creator with my kisses.

"I ADORE YOU" and "I LOVE YOU"

with that same Eternal Love with which You Created us.

"I LOVE YOU!" and pray You that Your Eternal Fiat be Known, and just as It Reigns Triumphantly in Heaven, It may come to Reign Triumphantly in the midst of creatures.

Ant. "Enclose the Thoughts of Jesus in my mind, so that No Other Thought may enter into me. Enclose the Eyes of Jesus within mine, that He may Never escape from my gaze; and His Hearing in mine, that I may always Listen to Him and Do His Most Holy Will in Everything."

Reading: V11 – 10.1914 (no day recorded)

I was Making the Hour in which the Celestial Mama Gave Burial to Jesus, and I Followed Her Closely to Keep Her Company in Her Bitter Desolation in order to Offer Her my Compassion...

"My daughter, I don't Want you to neglect The Hour of Burial. You shall do It for Love of Me, and in Honor of My Mama. Know that Each Time you do It, My Mama Feels as if She were Personally Repeating Her Life Upon earth, and therefore Repeating that Glory and Love which She Gave Me on earth. I too Feel as if My Mama were on earth Again—Her Maternal Tenderness, Her Love and All the Glory that She Gave Me. So, I shall Consider you as a Mother."

Responsory

"Place Jesus' Face Within mine, so that, by looking at Him so disfigured for Love of me, I may Love Him, Compassionate Him, and Repair;

– His Tongue in mine, that I may Speak, Pray and Teach With the Tongue of Jesus; His Hands in mine, so that each Movement I Make and each Work I Perform may have Life from the Works and Actions of Jesus."

Reading: V24 – 4.12.1928

"My daughter, Calvary is the New Eden in which mankind
was Given Back What It Lost by withdrawing from My Divine
Will. ...in Eden man lost Grace, on Calvary he Acquires It. In
Eden, Heaven was closed to him, he lost his Happiness and
rendered himself the slave of the infernal enemy; here in the
New Eden, Heaven is Opened to him Once Again, he Reacquires
the lost Peace and Happiness, the devil is chained, and man
is Freed from his slavery. In Eden, the Sun of the Divine Fiat
darkened and withdrew, and it became Always nighttime for

man—symbolized by the sun that withdrew from the face of the earth during The Three Hours of My terrible Agony on the Cross. Unable to Sustain the torment of His Creator—caused by the human will that, with great perfidy, had reduced My Humanity to that state—Horried, the sun withdrew, and as I Breathed My Last, it reappeared Again and continued its course of light. In The Same Way, the Sun of My Fiat, My Pains, My Death, Called back the New Sun of My Divine Will to Reign in the midst of creatures Once Again.

“So, Calvary Formed the Dawn that Called the Sun of My Eternal Will to Shine Again in the midst of creatures. Dawn means certainty that the sun shall come out; In The Same Way, the Dawn that I Formed on Calvary Assures, even though about two thousand years have passed, that It Shall Call the Sun of My Divine Will to Reign Once Again in the midst of creatures. In Eden, My Love was defeated by them; here It Triumphs and Conquers the creature. In the First Eden man receives the condemnation to death of soul and body; while in the Second Eden he is Released from his condemnation and the Resurrection of the body is Reconfirmed through the Resurrection of My Humanity. There are many relations between Eden and Calvary, and what man lost there, here he Reacquires. In the Kingdom of My Pains Everything is Given Back, and the Honor and the Glory of the poor creature is Reconfirmed by Means of My Pains and of My Death.”

Responsory

“Sorrowful Mama, my heart cannot bear Leaving You Alone
– In So Much Sorrow.”

Glory be to the Father...

– “Desolate Mama, How Much Compassion I Feel for You!
Allow me to dry Your Face, wet with Tears and with Blood.”

Our Father...

Final Prayer

“Crucified Mama, as I look at You, I Compassionate Your Sorrows—They Are Unspeakable.”

Saturday Night Prayer

Ant. "Crucified Mama, I would like to Transform my being into tongue and voice in order to Compassionate You; but before So Much Pain, my compassion is nothing."

Prayer

"And now Mama, I Pray You to Return the Company I have Given You to All those who are agonizing."

Ant. "Be the Mama of All; These Are Extreme Moments, and Great Aids Are Needed."

Reading: V24 – 4.12.1928

"By withdrawing from My Divine Will, man formed the kingdom of his evils, of his weaknesses, passions and miseries; and I Wanted to Come upon earth, I Wanted to Suffer Greatly, I permitted that My Humanity be Lacerated, Its Flesh Torn To Pieces, All full of Wounds. And I Wanted even to Die in order to Form, by means of My Many Pains and of My Death, the Kingdom opposite to the Many evils that the creature had formed for herself.

"A kingdom cannot be formed with one act alone, but with many upon many acts; and the more the acts, the greater and more glorious the kingdom becomes. Therefore, My Death was Necessary to My Love; with My Death I Was To Give The Kiss Of Life to creatures, and from My many Wounds I was to Let All Goods Out, in order to Form the Kingdom of Goods for creatures. So, My Wounds are Springs that Gush with Goods, and My Death is Spring from which Life For All Gushes Forth."

Responsory

"Therefore Sorrowful Mama, do not deny Your Maternal Office – to anyone."

Glory be to the Father...

– "One last word: as I leave You Mama, I Pray You to Enclose me in the Most Sacred Heart of Jesus..."

Ant. "...and You, my Sorrowful Mama, be my Sentry, so that Jesus may not put me out of It..."

Final Prayer

"...and I, even if I Wanted, may not be able to leave. So I Kiss Your Maternal hand; and You, Bless me."

Fiat!

Prayer of Consecration to the Holy Divine Will

O Adorable and Divine Will, here I am, before the Immensity of Your Light, that Your Eternal Goodness may Open to me the Doors, and make me enter into It, to Form my Life all in You, Divine Will.

Therefore, prostrate before Your Light, I, the littlest among all creatures, Come, O Adorable Will, into the little group of the First Children of Your Supreme Fiat. Prostrate in my nothingness, I Beseech and Implore Your Endless Light, that It may want to Invest me and Eclipse everything that does not belong to You, in such a way that I may do nothing other than Look, Comprehend, and Live in You, Divine Will.

It will be my Life, the Center of my intelligence, the Enrapturer of my heart and of my whole being. In this heart the human will shall no longer have life; I will banish it forever, and will form the New Eden of Peace, of Happiness, and of Love. With It I shall always be Happy; I shall have a Unique Strength, and a Sanctity that Sanctifies Everything and Brings Everything to God.

Here prostrate, I Invoke the Help of the Sacrosanct Trinity, that They Admit me to Live in the Cloister of the Divine Will, so as to Restore in me the Original Order of Creation, just as the creature was Created. Celestial Mother, Sovereign Queen of the Divine Fiat, take me by the hand and Enclose me in the Light of the Divine Will. You will be my Guide, my tender Mother; You will Guard Your child, and will Teach me to Live and to Maintain myself in the Order and in the Bounds of the Divine Will. Celestial Sovereign, to Your Heart I Entrust my whole being; I will be the tiny little child of the Divine Will. You will Teach me the Divine Will, and I will be Attentive in Listening to You. You will lay Your Blue Mantle over me, so that the infernal serpent may not dare to penetrate into this Sacred Eden to entice me and make me fall into the maze of the human will.

Heart of my Highest Good, Jesus, You will Give me Your Flames, that they may Burn me, Consume me, and Nourish me, to Form in me the Life of the Supreme Will.

Saint Joseph, You will be my Protector, the Custodian of my heart, and will keep the keys of my will in Your hands. You will keep my heart Jealously, and will Never give it to me again, that I may be sure Never to go out of the Will of God.

Guardian Angel, Guard me, Defend me, Help me in Everything, so that my Eden may Grow Flourishing and be the Call of the whole world into the Will of God.

Celestial Court, come to my Help, and I Promise You to Live Always in the Divine Will.

Amen.

Prayer For the Glorification of the Servant of God

O August and Most Holy Trinity,
Father, Son and Holy Spirit,
