

REMOVE ALL OBSTACLES to the DIVINE WILL

- ❖ All the bars of human will must be removed for the soul to partake of God's Eternal mode
- ❖ Detachment from obstacles removes all hindrances and distractions
- ❖ Disobedience gives existence to vices and sins
- ❖ The soul must remove from itself all that is earthly

**Remove
Detach
Renounce**

Be faithful and attentive and know that:

- Obedience gives death to all vices
- The cross removes from the soul all earthly allurements
- When the soul renounces its sinful human will, it gives death to passion and weakness
- Meditation of Jesus Passion in the Divine Will removes from the soul weakness and leads the soul to perfection and enables it to overcome temptations.
- God's creative power removes from the soul the original of evil.

Human will in disobedience, forms obstacles to the DIVINE WILL

STOP! GOD Commanded us NOT to eat from this tree.

**Pride is the root of all evil
and all sins are acts of disobedience**
