

# The Three Planes of the Divine Will

## The Third Plane of the Divine Will

**Formed By:**

Us.

**For:**

*I make you act for all, embrace all, make up for each one of their acts in the name of all.*

**What Was Done:**

*I empower the acts done in My Will to form double chains of light that form the strongest and longest bonds that nothing can break.*

**Results:**

*These chains of light compel God to give universal blessings, and compel the soul to receive them.*

## The Second Plane of the Divine Will

**Formed By:**

Jesus's Humanity

**For:**

Everyone and Everything as if all were one.

**What Was Done:**

*I satisfied for all, I left not one act of any soul without having constituted within it My own act, so that the glory, love and adoration that creatures owe to My heavenly Father might be complete for each act of every soul.*

**Results:**

*By this means, I in turn, implored the fruits of My coming to earth, and earned salvation and sanctity for all. And if many do not partake of My blessings, it is their fault and not the fault of the Giver. I opened the gates of heaven to all.*

## The First Plane of the Divine Will

**Results:**

One who acts for the good of all, in the name of all, and makes up for all, merits universal blessings that serve for all.
