

Luisa and Breath of the Divine Will

Talk #1

V6 – 9.2.04 - "...I tell you that it is the **Breath** of the Holy Spirit which, Blowing continuously into you, keeps you always Ignited and Consumes you for Love of Him."

V7 – 7.8.06 - "Other times, I find Myself outside of Myself, and I see Myself all Fire; I see the Light which is about to take off from the Fire, and Our Lord Blowing His **Breath** into that Light. The Light Rises and begins Its way toward the Mouth of Jesus Christ, and with His **Breath** He rejects It and attracts It, He enlarges It and makes It more shining; and the poor Light wriggles about and makes every effort, for It wants to go into His Mouth.

"...It also seems to me that the Lord comes and wants to review everything that He Himself has given me - whether everything is Orderly and Clean of dust. Then He takes my hand and removes the Rings which He gave me when He Espoused me to Himself; one of them He found intact, and the rest He dusted with His **Breath**; and then He placed them back.

V7 – 10.4.06 - "Upright Operating keeps Divine Love always Lit within the soul, ...with the Upright Operating, it is not many **Breaths** that Light this Divine Fire in the soul, but One Continuous **Breath** which keeps It always Lit – and it is only the Omnipotent **Breath** of a God."

V10 – 10.15.11 - This morning, Blessed Jesus made Himself seen Burning with Love; the **Breath** that came out of Him was so Enflamed that it seemed to be enough to Burn everyone with Love, if they wanted. So I said to Him: 'Jesus, My Love, how Burning is Your **Breath!** Burn everyone, Give Love to everyone, especially to those who want it.'

V12 – 5.10.17 - "My daughter, the creature is nothing other than My **Breath**. As I **Breathe**, I give Life to everything. All life is in the **Breathing**; if there is no **Breathing**, the heart no longer beats, the blood no longer circulates, the hands remain inactive, the mind feels the intelligence die; and so with all the rest. So, the whole of human life is in Receiving and in Giving this **Breath**. But while, with My **Breath**, I give Life and Motion to all creatures, and with My Holy **Breath** I Want to Sanctify them, Love them, Embellish them, Enrich them, etc., in Giving Me the **Breath** they Receive, they send Me offenses, rebellions, ingritudes, blasphemies, denials, and all the rest. So, I send the **Breath** as Pure, and it comes to Me impure; I send It in Blessing, and it comes to Me cursing; I send It all Love, and it comes to Me offending Me deep into My inmost Heart. But Love makes Me continue to send **Breath**, to maintain these machines of human lives; otherwise they would no longer function, and would end up in ruin.

Ah! My daughter, have you heard how human life is maintained? By My **Breath**."

So, today I could not Fuse Myself in Jesus, because He Himself kept me occupied in His **Breath**.

V13 – 10.27.21 - "...I, Eternal Word, could not have Descended, had She, My Blessed Mama Mary, not had Her distinct Prerogatives and the Divine **Breath** had not **Breathed** into Her as into a New Creation, to the point of rendering Her Admirable to all and Superior to all Created things. The same in you, Luisa: first My Humanity wanted to have Stable Dwelling in order to Prepare you; and then, like soul to the body, It is Giving you the Life of My Divine Will."

V13 – 1.14.22 - “My daughter, let us go back together into your bed. What you see is the Most Holy Trinity, which holds all creatures as though in the Palm of Its Hand; and as though from Its mere **Breath**, It gives Life, It Preserves, It Purges and Delights - there is no creature which does not hang upon It.”

V14 – 2.17.22 – “My Love is always in Act of wanting to Give New Pledges of Love to the creature; and as soon as It sees that My Divine Will takes the Operating and Directing Role of Giving Itself to the creature, My Love Makes Feast, It Runs, It Flies toward her, and makes Itself Cradle of man. And if It sees that she does not Rest in Its Cradle, It Rocks her, It Sings for her, to make her Rest and Sleep on Its Lap. And while she Sleeps, It **Breathes** into her mouth to Give her New Life of Love. If It sees from her interrupted **breath** that her heart is not Happy, with the **Breath** that It Sends to her, My Love Forms for her the Cradle in her heart, to take away from her the bitternesses, the hindrances, the bothers, and make her Happy with Love.”

V14 – 3.21.22 - Continuing in My usual state, I was thinking again about the Holy Divine Volition, and my Always Adorable Jesus clasped me in His Arms, and as He Sighed intensely, I Felt His **Breath** Descend deep into My heart. And then He told me: “Daughter of My Divine Will, My Omnipotent **Breath** Gives you the Life of My Divine Will. In fact, for the one who Does My Divine Will, My Will administers to her Its **Breath** as Life; and as It **Breathes** upon her, It moves away from her all that does not belong to Me, and she **Breathes** nothing but the Air of My Divine Will. And just as the Air is inhaled and exhaled, the same for the soul: it is a Continuous Receiving of Me, and a giving of herself to Me at each **Breath**.”

V14 – 6.9.22 – “...Therefore My Divine Will wants to Expand your Capacity to be able to Find this Rest. No, I AM not content if My Divine Will does not Place in you Everything that others should Give Me.” So, He seemed to **Breathe** over my intelligence, and it remained as though Chained by Many Threads of Light, for as Many Created minds as came out of the Hands of Our Creator. And each Thread of Light said: “Glory, Gratitude, Honor... to My God, Trice Holy.” And Jesus said: “Ah! yes, now I Can Rest. I Find the Requital of the intelligence of Creation; the Created mind is Fused with the uncreated Mind.”

Afterwards, He leaned His Head upon my heart, and it seemed that He could not find complete Rest; so He placed His Mouth upon my heart, and **Breathed** into it. At each **Breath** my heart became larger. Then He added: “Daughter, I AM determined to Rest; therefore I want to **Breathe** into your heart So Much as to Place in it All the Love which all the rest of Creation should Give Me. My Rest cannot be Perfect if I do not find the Requital of the Love that came out of Me. Therefore I Want to find in this heart the Love that All should Give Me. My Volition shall Make this Prodigy in you, and your heart shall have a Note for Everyone, which says to Me: *‘Love’*.”

Talk #2

V14 – 9.9.22 - “My daughter, in Creating, Adam, the first man I Gave Start to the Creation of mankind; and after I Formed his body, with My Omnipotent **Breath** I Infused in him the soul. And with another **Breath** of Mine, I could say, I Infused Myself in the depth of man in order to Sustain him, Dominate him and keep him Safe. So, that man Formed a Kingdom for Me, in which I, as King, was to Extend My Boundaries.”

V14 – 11.6.22 - As I was in my usual state, my always Lovable Jesus made Himself seen holding many little lambs in His Arms - some leaning on His Breast, some on His Shoulders, some clinging to His Neck, some on the right, some on the left of His Arms, and some with their little heads peeping out from within His Heart. However, the feet of all these little lambs were all inside the Heart of Our Lord, and the Nourishment He gave to them was His Own **Breath**. They were all turned with their mouths toward the Mouth of my Sweet Jesus, to Receive the Nourishment of His **Breath**. It was Really Beautiful to see how Jesus took Greatest Delight, all intent on Nourishing them and Delighting with them; they really seemed many Births come out of His Most Holy Heart. Then, turning to Me, He told me: “My daughter, these little lambs that you see in My Arms are the Children of My Divine Will, Legitimate Births from My Supreme Volition. They shall come out from within My Heart, but shall keep their feet in the Center of My Heart, so that they may take nothing from the earth, and may concern themselves with nothing but Me alone. Look at them, how Beautiful they are; how Clean and Well-Fed they Grow, Nourished by My **Breath** alone. They shall be the Glory, the Crown of My Creation.”

V16 – 10.30.23 - Then, in the meantime, I felt I was losing consciousness, and I saw a dove, all Afire, which was agonizing, and someone near it Who, with His Burning **Breath**, was Feeding the dove with His Flames in order to Nourish it, preventing it from taking any other food, holding it tightly and so close to His Mouth, that it could do nothing other than **Breathe** and Swallow the Flames which came from Him. And the poor dove agonized and turned into those Flames with which it was Nourished. I was surprised in seeing this, and my Sweet Jesus, moving in My interior, told me: “My daughter, why do you fear that I might leave you? In order to leave you, I should leave Myself, which I cannot do. As Much Power as I have, I do not have the Power to detach from Myself. The same for the one who does My Divine Will: since he becomes Inseparable from Me, I lack the Power to detach from him; not only this, but I keep Nourishing him with My Own Flames. Have you not seen that dove, all Afire? It was the Image of your soul, and the One Who was Feeding it with His Burning **Breath** was I, Jesus, Who Delight So Much in Nourishing the one who Lives in My Divine Will with only the Flames unleashed by My Heart, through My **Breath**.”

V16 – 11.28.23 - I feel always sunken in the Holy Divine Will of my Jesus, and I seemed to see my little soul like a Newborn baby, whom Blessed Jesus was Raising in His Arms with the **Breath** of His Divine Will, with such Jealousy as to want that she look at nothing, hear nothing, touch nothing. And so that nothing might distract her, He kept her Enchanted with the Sweet Enchantment of His Teachings on His Most Holy Divine Will. And the little Newborn would Grow and be Nourished with the **Breath** of the Divine Will of her Jesus. And not only this, but He covered me with many little crosses of Light, in such a way that, in looking at Myself, I could see a cross of Light impressed in each part of me. And Jesus Amused Himself, now in Multiplying these crosses, now in wanting me to keep my gaze fixed on Him in order to count all His Words, which served me as Food and Means of Growth.

Then, afterwards, My Jesus told me: “My little daughter, My Newborn of the Divine Will, My Volition Conceived you, made you be Born, and now Raises you with All Love. Don’t you

see with how much Love I hold you in My Arms, and do not permit that you take any other Food but the **Breath** of My Divine Will?”

V16 – 1.4.24 – “So do I Want you to do: you Must Make your Round in It So Much as to let yourself be Burned by the Eternal **Breath** of the Fire of My Divine Will, in such a way as to lose any other knowledge, and to know nothing else but My Divine Will, Only and Always.”

V17 – 7.16.24 - “My daughter, in Creating man, I Infused the soul in him with My **Breath**, wanting to Infuse in him the Inmost Part of Our Interior – Our Divine Will, which would also bring him All the Particles of Our Divinity which, as a creature, he could contain, to the extent of Making of him Our Image. But man, ungrateful, wanted to break off from Our Divine Will, and even though he still had his soul, the human will, which took the place of the Divine Will, obscured him, infected him, and rendered All the Divine Particles idle, to the extent of disordering him completely and of maiming him. Now, since I Want to Dispose him Again to Receive this Divine Will of Mine, it is necessary that I return to **Breathe** on him Again, so that My **Breath** may put to flight darkness and infections from him, and may Render Active the Particles of Our Divinity which We Infused in him in Creating him. Oh! how I wish to see him Beautiful, Restored, just as I Created him! And My Divine Will alone can Work this Great Prodigy. This is why I Want to **Breathe** on you - that you may Receive this Great Good: that My Divine Will Reign in you and Give you back All the Goods and the Rights which It Gave in the Creation of man.” And as He was saying this, drawing near me, He **Breathed** on me, He Looked at me, He Clasped me, and then He disappeared from me.

V17 – 4.23.25 – “The soul, purged by My Divine Will, through that Omnipotent **Breath** which was Infused in her by God, no longer produces the nausea of the human will, and therefore God continues to **Breathe** upon her with His Omnipotent **Breath**, that she may Grow with that Divine Will with which He Created her. On the other hand, the soul who has not yet been purged, feels the attraction of her own human will, and so she acts against the Divine Will of God, doing her own. God cannot approach her to **Breathe** upon her again, until the soul Gives All of herself to the Exercise and the Fulfillment of the Divine Will.

You Must Know that, in Creating man, God Infused Life in him with His **Breath**; and in this Life He Infused in him an Intelligence, a Memory and a Will, to place them in Relationship with His Divine Will. And this Divine Will was to be like a King, Who was to Dominate the whole interior of the creature and Give Life to Everything, in such a way as to Form the Intelligence and the Memory wanted by the Supreme Will in her. Once this was Formed, it would be as though Natural for the eye of the creature to Look at Created things and to Know their Order and the Will of God over the whole universe. Her Hearing was to Hear the Prodigies of this Eternal Will. Her mouth, which was to Feel itself **Breathed** upon Continuously by its Creator, to Communicate to it the Life and the Goods which His Divine Will contains, was to Echo that Eternal Fiat with its Word, to Narrate what *Will of God* Means. ...She Never departs from the Origin from which she came; therefore she Remains always in My Arms, and it is Easy for her to Feel My **Breath**, and for Me to **Breathe** upon her. Now, this is precisely what I Want from the

creature: that she let My Divine Will Reign in her, and that her human will may serve as the Dwelling of Mine, to let It Deposit the Celestial Goods It Contains.”

V17 – 7.9.25 – “...My **Breath** shall serve you as Breeze, to Preserve in you the Beautiful Freshness with which I, God, Created you.”

V19 – 3.2.26 - At that moment, the Heavens opened and I heard everyone say, in chorus: “*Glory be to the Father and to the Son and to the Holy Spirit*”. I don’t know how, but it was my turn to answer: ‘*As it was in the beginning, is now, and ever shall be, world without end. Amen.*’ But who can say what was happening? In the Word “*Father*” one could see the Creative Power Flowing Everywhere, Preserving Everything, Giving Life to Everything. The mere **Breath** of this Word was enough to maintain Everything He had Created Intact, Beautiful and Ever New. In the Word “*Son*” one could See All the Works of the Word, Renewed, Ordered, and All in Act of Filling Heaven and earth to Give themselves for the Good of creatures. In the Word “*Holy Spirit*” one could See All things being Invested with a Speaking, Operative and Vivifying Love.”

V19 – 5.1.26 - I Felt All Immersed in the Supreme Volition, and My Sweet Jesus came out from within my interior, and Squeezing me Tightly to Himself, He placed His Mouth Close to my lips, and sent me His Omnipotent **Breath**. But who can say what I Felt Within me? That **Breath** Penetrated Deep into my Most Intimate Fibers; It Filled me Completely, to the point that I no longer felt my littleness, my existence, but Only Jesus Within All of me. Then, after Repeating Several Times this Act of sending me His **Breath**, as it Seemed He was not Content if He did not See me Completely Filled with that Divine **Breath**, He told me: “My daughter, since you are Born in My Divine Will, it is Necessary, it is Right and Decorous that you Live, Grow and be Nourished in It, and that you Acquire the Prerogatives of a True Daughter of My Volition. No extraneous feature, nor anything which does not belong to My Divine Will must appear in you. Therefore, from your facial expressions, from your manners, from your speaking, and even from the way you Love and pray, it Must be Recognized that you are the Daughter of My Divine Will. Do you see, then, how I Love you, and with what Jealousy I Keep you and Nourish you? With My very **Breath**, because only My **Breath** can Preserve, Whole and Permanent, the Life of My Divine Will in the one who Must Live in My Volition. And so, that **Breath** which, with So Much Love, I Released from My Bosom in the Creation of man, to Infuse In him My Likeness, I continue to Infuse in the soul who Lives in My Divine Will, in order to Form My True Images and the Great Portents which I, God, had Established to Form in Creation, and for which All things were Made.”

“...Therefore, with Its Continuous Motion, My Divine Will is Life of Each Created thing; It Binds Everything; It is More than air which, with Its **Breath**, Makes All the things which came out of Our Hands, **Breathe**, Develop and Vegetate.”

“...This is why the one who Recognizes the Life of My Divine Will within herself and in All things is the Triumph of Our Divine Will and the Conquest of Our Victories; she is the Recompense of Our Love to Our Continuous Motion. Our Divine Will Binds this creature to the whole Creation, Making her Do All the Good that My Divine Will Itself Does. So, Everything is hers; and I Love her So Much that I AM unable to Do anything without her, because by Virtue of

My Divine Will, We have the Same Life, the Same Love, One Single Heartbeat and One Single **Breath.**”

Talk #3

V20 – 1.23.27 - Then, after this, I remained afflicted, because I thought that They, The Triune God, would take me with Them; and since They didn't, I felt sad. And Jesus, to cheer me, placed Himself with His Face in front of my chest, and as He **Breathed** over me, a Light came out of His **Breath**, which served not only for my soul, but also to Recompose my whole body. As the **Breath** would cease, my body would fall apart; and Jesus, to Cheer me, said to me: “My daughter, Courage, don't you see that the mere **Breath** and Light of My Divine Will Recomposes also your body? So, if I stop My **Breath**, your body shall fall apart and you shall immediately take the Way to Our Celestial Fatherland.”

V20 – 1.28.27 – “The Creation, Echo of the Celestial Fatherland, contains Music, the Royal March, the Spheres, the heavens, the sun, the sea, and All Possess Order and Perfect Harmony among themselves, and they Make their Round continuously. This Order, this Harmony and this Making their Round, without ever stopping, Form such Admirable Symphony and Music, that it could be said to be Like the **Breath** of the Supreme Fiat Blowing into All Created things like many Musical Instruments, and Forming the most Beautiful of All Melodies, such that, if creatures could hear it, they would remain Ecstatic. Now, the Kingdom of the Supreme Fiat shall have the Echo of the Music of the Celestial Fatherland and the Echo of the Music of Creation. The Order, the Harmony and their making continuous Rounds their Creator shall be Such and So Great, that each one of their acts, words and steps shall be a Distinct Melody, like many different Musical Instruments which shall Receive the **Breath** of the Divine Volition, in Such a Way that Everything they do shall be as many distinct Musical Concerts which shall Form the Joy and the Continuous Feast of the Kingdom of the Divine Fiat.”

V21 – 4.3.27 - While I was all afflicted because of His Privation, and almost petrified by the Pain of seeing myself as though forgotten by my Beloved Jesus, He came out from within my interior, and leaning His Hands upon my shoulders, He placed His Head on my breast and **Breathed** Strongly, saying: “All Await your Acts.” And while **Breathing**, He drew All of my Acts done in His Divine Will into Himself, and added: “My daughter, the Acts done in My Divine Will are My Acts, and therefore I have Come to take them with My **Breath**, as I **Breathed** upon your breast. In fact, since they are My Acts, Everyone Awaits these Acts of yours, and I shall go to spread them in All Creation, in order to Receive, in the Whole Universe, the Honor of a Free Act of creature.”

V21 – 4.22.27 - Then, I followed the Supreme Will in the Act in which the Divine Being was about to Create man, so that I too, together with My *First father* Adam, might Love God with the same Love with which he Loved God in the *First Instant* of his Creation. I wanted to receive that Same Divine **Breath**, that Outpouring of Love, in order to Give It Back to My Creator. But while I was thinking of this, my Sweet Jesus, All Delighted, told me: “My daughter, for the one who Lives in My Divine Will there is not one Act of Ours at which she cannot be Present, nor any Act that We Issued from Ourselves which she cannot Receive. Here is My **Breath** to you, and the Outpouring of Our Love. How Great was Our Delight in this *First Act* of the Creation of man.”

...“My daughter, this is precisely My Purpose for Coming to you So Often; So Much So, that it may appear strange to some, and almost outside of My usual Ways, since almost with no one have I Done this, of Going so often. All this is to Reorder My Prime Act of the Way I Created the creature; and this is Why I Return to you, staying like the Most Loving Father with his daughter. How many times have I not **Breathed** Into you, to the point that you could not contain My Omnipotent **Breath**? I have Poured in you My Contained Love, to the point of Filling you up to the brim of your soul. All this was nothing other than the Renewal of the Solemn Act of Creation.”

V21 – 4.24.27 – “So, Our Outpouring of Love, Our **Breath**, is unleashed continuously from Our Divine Womb, and It Runs to **Breathe** Over the generations of creatures. So, hovering within all Creation, Our Outpouring of Love Invests heavens and earth, sun and sea, wind and water, and It Runs toward creatures. If it were not so, the heavens would shrink, the stars would be scattered, the sun would become poor in light, the water would be lacking, the earth would produce neither plants nor fruits, because, since the Life of Our Love hovering within all things would be missing, these would withdraw into Our Source from which they came. And if Our **Breath** were to be missing, the generation of creatures would end, because they are nothing other than Sparks that Our **Breath** Sends Out in order to Fecundate the Growing generation.

“...Our Regenerative **Breath** is Always in Act and in Motion, and We Wait for the Kingdom of Our Divine Fiat so that this Love of Ours, Hovering Around, may Descend into the midst of creatures and Give Our Divine Life; and, in Receiving It, the creatures shall form their own Outpouring of Love to Give it to the One from whom they Receive It. Therefore, My daughter, the whole Creation is Centralized over you, Luisa. I look at you from the starry heavens and I send you this Outpouring of Love; I look at you from the sun, and **Breathing** over you, I send you My Divine Life.”

V22 – 8.28.27 – “My Volition does Its Continued Act in the air, and **Breathing** in It, It Forms a Vital Act in the air, such that, as creatures **Breathe** it, they Receive Life. But while It Gives Life, It does not find in them the **Breath** of Its own Divine Volition which, **Breathing** Together with the creature, would Form Divine Life in her. What sorrow – to Give Life, and not to be able to Form It In them.”

V23 – 10.23.27 - After this, I was continuing my Round in the Divine Will, bringing Myself into Eden, so as to be present when the Divine Majesty, having Formed the Beautiful statue of man, was Giving Life to it, **Breathing** Over It with Its Omnipotent **Breath**, so that I might Glorify My Creator in an Act So Solemn, and Love Him, Adore Him and Thank Him for a Love So Excessive and Overflowing toward man. And My Divine Jesus, moving in My interior, told me: “My daughter, this Act of Forming and Infusing Life in man with Our Omnipotent **Breath** was So Tender, Touching, and of such Great Joy for Us, that the Whole of Our Divine Being Overflowed So Much with Love as to Enrapture Our Divine Qualities with an Enrapturing Strength, so as to Infuse them In man. In **Breathing** Over him, We Poured Everything into him; and in Blowing into him We placed Our Supreme Being in Communication with him, in such a way as to Render him Inseparable from Us. This Act of Ours Never ceased, because if in the Creation of the whole

universe it was Our Divine Will that constituted Itself Life of Everything - in man We Gave not only Our Fiat, but Together with Our **Breath** We Gave Our Very Life to him. And this **Breath** of Ours has not yet ceased, so as to Continue the generation of other creatures, to render them Inseparable from Us. When We do a Work, Our Love is So Great that, after it is done once, the attitude remains of Doing It Always. Therefore, the ingratitude of man is great, because he denies, despises, offends this Life of Ours within himself. And just as when one emits one's breath in order to breathe, the breath is emitted and then withdrawn so as to be able to breathe again; in the same way, in **Breathing** Over him, We Give Ourselves to him, and in Drawing Our **Breath** Back, We Draw man Back into Ourselves. But not feeling him come into Us because his human will is not with Us, We Feel All the weight of human ingratitude. And this is why We call you, Luisa to give you Our Incessant Act - so that, as We Draw It Back in order to Issue It Again, We may Feel you come Into Ourselves, to Receive the Fulfillment of Our Divine Will in the Solemn Act of Issuing Our Regenerative **Breath**, to Generate the creatures.”

V24 – 4.16.28 – “With Its Heat, My Divine Will shall Mold souls Anew, It shall destroy what is rotten in them; and **Breathing** Over them, with Its Light It shall Empty them of the Weight of the human will, Giving them their Original Nature.”

V24 – 4.26.28 - “My daughter, My Divine Will is Life, It is Air, It is **Breath** of the creature. It is not like the other Virtues which are neither continuous Life nor **Breath** of the creature, and therefore they are exercised at time and circumstance. ...On the other hand, My Divine Will is Prime Act of All the acts of the creature; so, if she thinks, if she speaks, if she **breathes**, it is My Divine Will that Forms the thought, the word; and Giving her the **Breath**, It Maintains the circulation, the heartbeat, the warmth. And just as one cannot live without breathing, so one cannot Live without My Divine Will. There is always Need of It to be able to Continue Living; yet, while they Receive Its Continuous **Breath**, it is not Recognized. My Divine Will is So Necessary that one cannot do without It even for one instant, because It is not only the Bearer of All human acts, but is also the Bearer of All Created things.

My Fiat is Prime Act of the sun, and makes creatures **Breathe** light; It is Prime Act of the air, of water, of fire, of the wind, and creatures **Breathe** My Divine Will in the air they **Breathe**, in the water they drink, in the fire that warms them, in the wind that purifies them – there is not one thing in which they do not **Breathe** My Divine Will. Therefore, in All Things, be they small or great, even in the breath, the creature can Always Do My Will; and by not doing It, it is an Act of Life of Divine Will that she loses – it is Its **Breath** that she suffocates Continuously. She Receives Its Life, Its **Breath**, but to convert it into human, rather than to be, herself, Transmuted into My Divine Will.”

V24 – 6.3.28 – “If you knew, My daughter, how Many Kisses, how Many Loving Squeezes We gave to the human nature before Giving it Life.... And it was in the Ardor of Our Love that, **Breathing** over him, We Gave him Life, Giving him the soul, and **Breath**, heartbeat and warmth to his body. So, the **Breathing** you Feel is Our Own; the Heartbeat that beats in your heart is Ours; the warmth that you Feel is the Touch of Our Creative Hands which, in Touching you, Infused Warmth in you. And as you breathe, We Feel Our **Breath Breathing** in you; as your heart palpitates, We Feel Our Heartbeat of Eternal Life Beating in you; and as you Feel the

Warmth, it is Our Love that Circulates in you and Continues its Creative and Preserving Work, Warming you....”

Talk #4

V24 – 6.7.28 - “My daughter, how Many Prodigies of Ours concurred in Creating man. With Our **Breath**, the soul was Infused in him, in which Our Paternal Goodness Infused *Three Suns*, Forming in it the Perennial and Refulgent Day - not subject to any night. These *Three Suns* were Formed by the Power of the Father, by the Wisdom of the Son, by the Love of the Holy Spirit.”

V24 – 8.26.28 - After this, my always Lovable Jesus made Himself seen as a Little Child in the depth of my little soul. He Clasped me, He Kissed me, He **Breathed** Over me, and I Felt New Life, New Love, being Infused in me, and I Repeated for Him what He was Doing to me. And, Repeating His Kisses, He told me: “Little daughter of My Divine Will, as My **Breath Breathes** Over you, It Renews you, and with Its Vivifying Power It destroys in you the infection of the seed of the human volition, and Vivifies the Seed of My Divine Fiat. This **Breath** is the Origin of the human life of the creature; but as man withdrew from My Divine Will, he lost My **Breath**; and even though Life remained in him, he no longer felt the Vivifying Strength of My **Breath** which, in Vivifying him, Maintained him Beautiful, Fresh, in the Likeness of his Creator. So, without My **Breath**, man remained like that flower which, having no more rain, wind and sun, fades, withers, and lowering its head, it tends toward dying. Now, in order to Rehabilitate the Kingdom of My Divine Will in the midst of creatures, it is necessary that My continuous **Breath** Return into their midst, which, **Breathing** Over them, more than wind, may let the Sun of My Divine Will Enter Into them, so that, with Its Heat, It may destroy the bad seed of the human volition, and man may Return to be Beautiful and Fresh, as he was Created.”

V25 – 12.16.28 - “My daughter, how Happy I feel in listening to them. But My Happiness Increases in Keeping you in this House of My Divine Will, as both of Us are listeners: I, of what I have Told you, and you, of what you have Heard from Me. My Love Swells, Boils and Overflows. Listen, listen – How Beautiful It Is! The Word contains the **Breath**, and as It is spoken, the Word carries the **Breath** which, like Air, makes its Round from mouth to mouth and Communicates the Strength of My Creative Word; and the New Creation which My Word Contains Descends into the hearts.”

V25 – 3.8.29 – “And is it not by Its **Breath** alone that It Nourishes the whole Creation, maintaining It Fresh and Beautiful, just as It Created It?

Oh! if creatures would let themselves be Nourished by the **Breath** of My Omnipotent Fiat, all evils would no longer have life in them; Its Generative and Nourishing Virtue would Communicate to them Light, Beauty, Order and the Most Beautiful Harmony. What can My Fiat not do and Give? Everything!”

“...As the creature Operates in It, she Acquires the **Breath**, and **Breathing** Together with My Fiat, she maintains what was done once Always Alive; even more, she has the Virtue of Vivifying and Calling to Life the Many Acts of My Divine Will to which the human will has given death. In fact, My Divine Will has a Continued Act to give to creatures, and when they have not done My Divine Will, these Acts have died for them; and the one who Lives in It has the Virtue of Vivifying them and of keeping them Alive.”

V26 – 4.28.29 - I was Making My Round in the Divine Fiat, to follow Its Acts in the Creation; and as I reached Eden, my poor mind paused in the Act in which It Created man, and **Breathing** over him, It Infused Life in him; and I prayed Jesus to **Breathe** over my poor soul, to Infuse in me the *First Divine Breath* of Creation, so that, with Their Regenerative **Breath**, I might begin my Life Again, All in the Fiat, According to the Purpose for which They had Created me. But while I was Doing this, My Sweet Jesus came out from within my interior as though in the Act of wanting to **Breathe** Over me, and He told me: “My daughter, It Is Our Divine Will that the creature *Ascend Again* into Our Womb, in Our Creative Arms, that We may Give her Again Our Continued **Breath**, and, in this **Breath**, give her the Current that Generates All Goods, Joys and Happiness’s. But in order for Us to be able to Give this **Breath**, man Must Live in Our Divine Will, because only in It can he Receive It, and We, Give It.

“...In Creating man, We did not put him at a distance from Us; rather, in order to have him Together with Us, We Gave him Our Very Divine Will, which would Give him the *First Act*, to Operate Together with his Creator. This was the Reason why Our Love, Our Light, Our Joys, Our Power and Beauty Gushed out All Together, and Overflowing outside of Our Divine Being, they Spread the Table before the one whom, with So Much Love, We had Formed with Our Creative Hands, and Generated with Our very **Breath**. We Wanted to Enjoy Our Work, See him Happy of Our Own Happiness, Embellished with Our Beauty, Rich with Our Richness; More So, since it was Our Divine Will for Us to Remain Close to the creature, to Operate Together and to Amuse Ourselves Together with her; and Games cannot be played from a distance, but in Closeness.

“...Therefore, My daughter, Be Attentive; We shall Give you Everything if you Live Always in Our Fiat. Our **Breath** shall take Delight in **Breathing** Over you Always, to make Our Joys, Our Light, Our Sanctity Overflow Upon you, and Communicate to you the Attitude of Our Works, that We may Keep the little daughter, Regenerated by Our Divine Will, Always Together With Us.”

V26 – 6.9.29 - “My daughter, each **Breath** is the Life of the next one that follows; So Much So, that as one is about to Release one **Breath**, before it is emitted completely, it calls for another **Breath**. So, it can be said that the **Breath** has its Life and Gives Life to the creature because it is Continuous; they are So United and Close among themselves as to be Inseparable. And so also for the beating of the heart: one heartbeat Calls for the Life of the next heartbeat, and the Continuous beating Forms the Life; So Much So, that if the **Breathing** and the beating cease, Life no longer exists. Such is the soul who Does and Lives in My Divine Will; her Identification, her Closeness with It, is such and So Great – More than are **Breaths** and heartbeats close among themselves. Therefore, the Acts Done in My Divine Fiat are like Many **Breaths** or Heartbeats which the creature Does in God, in Such a Way that she Becomes the Divine **Breathing**, and My Fiat Forms her **Breathing**; so, it is Life that they mutually Exchange, to Form One Single Life. Therefore, the Acts Done in Our Divine Will are Inseparable from Us, and We Feel the Contentment of **Breathing** Our Work, and of Feeling, as Our Own, the Work which has come Out of Us, and of Letting her Live in Our House – and So Close to Us as to **Breathe** her Very **Breath**.”

“...In Its Endless Great Wheel of Light, It Goes in Search of Everyone, to Make Itself be Recognized and to Form in each creature Its Life of Beauty, of Sanctity, of Light and of Infinite Sweetness. It wants to destroy all bitternesses, uglinesses, miseries in them, and with Its Kiss of Life, **Breathing** Over them, It Wants to Transform them into What is Good, Beautiful and Holy.”

V26 – 9.15.29 – “Such is My Divine Will; More than sun, It Pours Its Own Self out over each creature, to Give her Continuous Life. It can be said that It Invests the creatures with Its Omnipotent **Breath** of Light and of Love, It Forms them and Raises them. And while the sun gives place to the night, My Divine Will never leaves on their own the Dear Births that came from It – Molded, Vivified, Formed, Raised with Its **Breath** and Burning Kiss of Light.”

...After this, I continued to cross the Endless Sea of the Divine Fiat, and as I emitted My little Acts in the Eternal Volition, many Germs Formed in my soul; and the Seed of these Germs was of Light of Divine Will – varied with many Colors, but All Animated with Light. And my Sweet Jesus, making Himself seen, was **Breathing** on those Germs, one by one; and as He **Breathed** on them, those Germs would Grow So Much as to Touch the Divine Immensity. I remained Surprised in Seeing the Goodness of My Highest Good, Jesus, taking those Germs in His Most Holy Hands, with So Much Love, in order to **Breathe** on them, and then placing them all in Order in My soul. And looking at me with Love, He told me: “My daughter, wherever there is the Creative Force of My Divine Will, My Divine **Breath** has the Power to Render the acts of the creature Immense. ...It happens as to the yeast, which has the virtue of fermenting the flour, as long as, in forming the bread, one puts in it the little yeast as the germ of fermentation. But if one does not put the yeast, even though the flour is the same, the bread shall never come out leavened, but unleavened. Such is My Divine Will - More than yeast that Casts the Divine Fermentation into the human act; and the human act Becomes Divine Act. And when I Find the Germ of My Divine Will in the act of the creature, I Delight in **Breathing** on her act, and I Raise it So Much as to render it Immense; More So, since We can Call that act ‘Our Act’ - ‘Our Divine Will Operating in the creature’.”

V27 – 10.7.29 - I was Feeling All Immersed in the Divine Fiat; Its Light Surrounded me everywhere, inside and out; and my Sweet Jesus, making Himself Seen, Clapsed me in His Arms, and drawing Close to my mouth, sent His **Breath** from His Mouth into mine – but So Strongly, that I could not contain it. Oh! how Gentle, Sweet, Fortifying, was the **Breath** of Jesus.

“...Now, My daughter, your Living in My Divine Fiat Began with Our Asking for your human will, which you Most Willingly Gave Me; and when I Saw you Give Me your human will, I felt Victorious, and **Breathing** into you, I Wanted to Pronounce My Omnipotent Fiat in the depth of your soul, to Renew the Act of Creation. This Fiat I Repeat Always, in order to Give you Continuous Life from It; and as It Is Repeated, It Preserves you and Maintains Its Life in you. This is why you often Feel Me **Breathe** into you, Renewing your soul; and the Inseparability I feel is My Divine Will that Makes Me Love, with Perennial Love, what We have Deposited in you.”

V29 – 10.12.31 - “My Good daughter, Only My Divine Will Maintains and Preserves as intact, with a Continuous Act, the Beginning of the Creation of the creature. Our Supreme Being Gave the Beginning and Animated her Life with the Power of Our Divine **Breath**. This **Breath** was

never to be broken; More So, since when We Give and Do an Act, We never withdraw it, and this serves to Form Fulfilled Works of the being that We Issue to the Light. While this *First Act* of Ours serves to Give the Beginning and Form the Life, the continuation serves to make of the creature a Fulfilled Act of Ours; and as We **Breathe** upon her, so We Form in her Our Continuous Acts in order to Complete Our Divine Life. Our **Breath**, as We Give It, Forms, sip by sip, the Growth of this Life of Ours in the creature. Our **Breath**, as It Gives Itself, Forms Our Fulfilled Act of Sanctity, of Beauty, of Love, of Goodness, and so forth; and when We have Filled her So Much, in a way that We have no more space in which to put of Our Act in the creature, because she is limited, Our **Breath** ceases and ends Its Life on earth; and in order to Eternize Our **Breath** in Heaven, We Transport Our Life, Formed in her, Our Fulfilled Act, into Our Celestial Fatherland as Triumph of Our Creation. There is no rarity More Beautiful than these Lives and Fulfilled Acts of Ours in the Celestial Dwelling; They are the Narrators of Our Power, of the Ardor of Our Love, They are Speaking Voices of Our Omnipotent **Breath**, which alone could Form the Divine Life, Our Fulfilled Act in the creature.

“...Our Divine Will Disposes the creature to Receive All the Divine Qualities and Colors; and Our **Breath**, never interrupted, as Most Skillful Brush, Paints with Admirable and Inimitable Mastery the Most Beautiful Shades, and Forms the Facsimiles of Our Supreme Being.”

V30 – 1.30.32 - “My daughter, *You Must Know* that Our Love gives of the Incredible. Our Divine Will is the Spy of the creature, and It keeps Spying to See when she is Disposed to Receive Its Blowing **Breath** of Contained Love, because It Knows that the creature does not possess a great Quantity of Divine Love – she just has a Particle of the Infinite Love from when she was Created; and if it has not been Nourished, it is like the fire when it is under the ashes, such that, while the fire exists, the ashes keep it covered and repressed, in a way that it cannot even make its heat felt. Human love We do not want, and therefore Our Divine Will uses Its Loving Stratagems, It Spies on the dispositions, and It Blows. Its Blowing **Breath**, like Light Breeze, puts to flight the ashes that the human will has produced; the Particle of Our Infinite Love is revived - It Lights Up. My Divine Volition continues to Blow and It Adds More Divine Love; the soul feels herself being Emptied, Warmed; she experiences the Coolings of Love, and from within the Particle of the Infinite Love that she Possesses, she Loves Us, and she Gives Us, as her own, Our Divine Love.

You Must Know that the Love of this Divine Will of Mine is So Great, that It uses all the Arts: It Acts as a Spy and It Blows Its **Breath** upon her; It Acts as her Mother and It Rocks her in Its Arms; It Acts as her Sentry and It Watches over her; It Acts as her Queen and It Dominates her; It Acts as Sun to her and It Illuminates her; and It offers Itself even to Serve her. And when It wants to Deposit in you Its Knowledges, Its Truths, even just one of Its Words – what does It do? It Blows Its **Breath** upon you So Much, that First It Forms in you Its Basin of Love, of Light, in order to Enclose Its Truths in the Basin of Its Love and Light that It Formed in you.”

V30 – 2.10.32 – “In addition to this, Our Divine Will is Our Life and Our Food, and since We have no need of material foods, It Gives Us, then, the Food of Its Holy Works; and since the creature is one of Our Works, We Want to Find in her Our Will as Life, so that, not only herself, but All of her works may Serve Us as Food; and We, In Exchange, Give her the Food of Our Works. This Feeding ourselves with the Same Foods Forms the **Co-Breathing** between God and

the creature. This **Co-Breathing** Produces Peace, Communication of Goods, Inseparability; it seems that the Divine **Breath Breathes** in the creature, and that of the creature in God, Uniting them So Much as to Feel as if the **Breath** of one were one with the other. Here then, come the **Co-Breathings** of Will, **Co-Breathing** of Love, of Works; We feel that **Breath** which We Issued in the Creation of man, and which he broke by doing his human will, Reborn Again in the creature. Our Divine Will has the Virtue and Office of Regenerating in him what he lost with sin, and of Reordering him as he came Out of Our Creative Hands.”

V32 – 4.2.33 - “My Blessed daughter, *You Must Know* that Our Divine Being is nothing other than a Substance, All of Love; so, the consequence of this is that Everything, Inside and Outside of Us - Everything is Love. Therefore, Our **Breath** is Love, and the Air that We **Breathe** is Love; Our Heartbeat is Love, and while We Palpitate Love, it Forms the Circulation of Pure Love in Our Divine Being, with a Race that never stops. ...But it is not a sterile Love and Will - no, no; it is Fecund, and Generates continuously; It is Operative, and within One Single **Breath** of Love it Forms the Most Beautiful and Marvelous Works, the Prodigies Most Unheard-of, So Much So, that All the human sciences feel small and ignorant before the littlest of Our Works, and, confounded, they remain mute.

Talk #5

Now listen to Me, Good daughter - to The Great Prodigy of Our Life in the creature, such that no one else, as much love and power as they might have, can boast of being able to say: ‘I can Bilocate myself, and while I remain what I am, I can Form another Life of mine inside a person whom I love.’ It would be a folly and absurd even just to say it; neither the Angel nor the Saint have this Power - only your God, your Jesus, has this Power, because Our Being is Fullness, It is Totality, It Is Everything and Fills Everything; and in the Immensity in which It finds Itself, which Envelops Everything, It **Breathes**, and with a Simple **Breath** We Form Our Divine Life in the creature, and Our Divine Will Dominates her, Nourishes her, makes her Grow and Forms the Great Prodigy of Enclosing Our Divine Life within the small circle of the soul of the creature. Here then, your continuous ‘*I love You*’ is Our own, it is the **Breath** of Our Life, it is Our Heartbeat which can Palpitate nothing but ‘*I love you, I love you, I love you*’. This serves for the Sustenance of Our Life, which can do nothing but Love, Give Love and Want Love. So, while this ‘*I Love you*’ is Ours, and Is Our **Breath**, it is also yours, such that while We Give you Love, you Give Us Love, and Fused Together, Our ‘*I Love you*’ Braids, Meets, Identifies with yours, and only one ‘*I Love you*’ is Heard, while they are two which, Enrapturing each other, Form a Single One.”

V32 – 10.15.33 - “...Our Fiat uses Its Operating and Repeating Virtue of Its Continuous Fiat over Its Fortunate creature, so as to Overshadow her with Its Power, in such a way that a Fiat does not wait for another – So Much So, that if It Blows Its **Breath** Upon her, It says to her: ‘*Fiat*’; if It Touches her, It repeats: ‘*Fiat*’; if It Embraces her, It uses Its Operating *Fiat* and keeps Molding her and as though Kneading her within Its Divine Life. It can be said that, with Its **Breath**, It Forms Its Life in the creature, and with Its Creative Virtue It Regenerates her and Forms in her Its little Paradise. And what do We not Find in It? It is enough to tell you that We Find Everything We Want – and this is Everything for Us, Triune God.”

V34 – 3.18.37 – “*You Must Know* that anything that is Holy and Good Belongs to My Fiat, which Wants to Give Everything to the one who Lives Together with It. An exchange takes place on both sides: the creature does not want to hold anything for herself, she wants to Give It everything; and My Divine Will Wants to Give Everything to her, even Itself. More so, since Creation, Redemption, the Queen of Heaven, All Good and Holy Acts, are nothing other than the **Breath** of God. He **Breathed** and said ‘*Fiat*’, and Created the whole Creation; He **Breathed** and Called to Life the Most Holy Virgin; He **Breathed** and made the Word Descend upon earth; He **Breathes** and Gives Life to the Good Works of All creatures.

Now, the one who Lives in My Divine Will does nothing other than Track Down All of Its Works, so as to find Its Divine **Breath** and bring them back to God as Fruits and Power of the **Breath** of her Creator. Oh! how Glorified and Loved He Feels, because He Finds His Own **Breath**, His Very Life, in the Works Offered to Him by the creature; and as Many Times as she Makes her Round in His Works, So Many Times does He Feel His Life, His Glory, His Love, being Given Back to Him.”

V35 – 12.21.37 – “*You Must Know* that in Creation it took nothing other than Our Omnipotent **Breath** to Infuse Life in man. But how Many Prodigies in that **Breath**! We Created the soul, Providing it with the *Three Powers* - True Image of Our Adorable Trinity; and with the soul he Received the heartbeat, the breathing, the circulation of the blood, the motion, the warmth, the speech, the sight. What did it take to make All these Prodigies in man? The Simplest Act of Ours - Our **Breath** - Armed with Our Power and with the Race of Our Love which, unable to contain it any longer, ran and ran toward him, even to the point of Making of him the Greatest Prodigy of the Entire Work of Creation.

Now, My daughter, since man did not Live in Our Divine Will, his *Three Powers* have become obscured and Our Adorable Image deformed in him, in such a way that he has lost the *First Heartbeat* of God’s Love within his heartbeat, and the Divine **Breath** within his human breath. Or rather, he has not lost it, but he does not Feel it, and therefore he does not Feel the Circulation of the Divine Life, the Motion of Good, the Warmth of the Supreme Love, the Word of God within his own, the Sight to be able to look at his Creator. All has remained obscured, weakened, and maybe even deformed. Now, what does it take to Restore this man? We shall Return Again to **Breathe** Upon him with Stronger and Increasing Love; We shall **Breathe** in the depth of his soul; We shall Blow Our **Breath** More Strongly into the Center of his rebellious human will - but so Strongly as to shake the evils by which he is trapped. His passions shall be knocked down and terrified before the Power of Our **Breath**. They shall feel themselves Burning by Our Divine Fire, and the human will shall Feel the Palpitating Life of its Creator, and it shall Conceal Him like a veil, so that man shall Return to be the Bearer of his Creator. Oh, how Happy he shall Feel! With Our **Breath** We shall Restore him and Heal him; We shall Act like a Most Tender Mother who has a crippled child, and by dint of breathing, whispering and blowing, she pours herself over her child; and only when she has healed him and rendered him beautiful as she wanted him to be - then shall she stop blowing her breath upon him. The Power of Our **Breath** shall not leave him; and only when We see him coming back into Our Paternal Arms, Beautiful, as We Want him to be – then shall We stop **Breathing** on him. Then shall We Feel that Our child has Recognized Our Paternal Goodness, and how Much We Love him.

See then, what it takes to make Our Divine Will Come to Reign upon earth: the Power of Our Omnipotent **Breath**. With it We shall Renew Our Life in him.”

V35 – 1.30.38 - “My little daughter of My Divine Volition, so many are the Yearnings and the Longings of My Divine Will, for It Wants to Operate in the act of the creature, that It begins Spying to see whether the soul calls It as Prime Act of her acts; and if It is called, It becomes Festive, It Runs, and Blowing Its **Breath** into the act of the creature, It impresses Its Creative Strength and Converts it into Divine Nature.”

V35 – 2.14.38 - “My Blessed daughter, the Love of My Divine Will in Operating in the Act of the creature is such as to seem Incredible. As It Operates, My Divine Will Wants Everyone to undergo that act and Do It as their own act. With Its Omnipotent **Breath** It Gives Wings to that act and makes the sun, the heavens, the stars, the wind, the sea go through it, and even the air that All breathe. Then it Flies Higher, Up to the Celestial Regions, and Everyone - the Angels, the Saints, the Queen and Mother, and Even Our Divinity – undergo that Act, in such a way that, each one Receiving It, All Must be able to Say: ‘This Act is Mine.’”

V36 – 7.11.38 – “How Beautiful It Is Living in My Divine Will. The Act is not only a Way but, as the soul is about to do it, the Divine **Breath** Descends into it and, Blowing, Fills all Creation with Its Omnipotent **Breath**. Everybody Feels the Refreshment, the Love and the Power of the Creative **Breath**, which has the Power to Enclose Everyone and Everything, Embalming with Its Divine and Celestial Air My Operating Will, within Ourselves As Much as in the creature. It Makes Wonders to the extent that It can say: ‘I AM a Divine Act, I Can Do Anything.’

“...It is sufficient to tell you that the one who Lives in Our Divine Will leaves everyone behind. She is First in Sanctity, Beauty and Love. We can Feel Our Echo, Our **Breath** in hers; she doesn’t pray for, but Takes what she Wants From Our Divine Treasures. Therefore, Cherish Always in your heart to Live in Our Divine Will.”

V36 – 8.28.38 – “When Our Love Molded man It Filled him So Much that in Every Created thing, even in his breath, he had to Give Us Love, just as We Loved him in Everything. Then Our Love Reached the Excess of **Breathing** Over him to leave him **Our Love Breath**. For Completion and Crowning We Created Our Image in his soul, providing it with memory, intelligence and will, remaining in him as Our Bearer.

“...My daughter, Our Love Wants to Reach the Greatest Excesses; It Wants to Save Our Arm, which is man, and put him Back in Order at any cost. We shall be Forced by Our Love to **Breathe** over him Again; to cast away his enemies and Ours. We shall Cover him Again with Our Love, letting the Life of Our Majesty, Sanctity, Power and Wisdom Enter into Him”

V36 – 12.5.38 - “My daughter, this Good is So Great that I Vividly Feel Our Life Palpitating in the creature; So Much So, that We no longer need any Words in order to Make Ourselves understood. Our **Breath** in hers is Word which Invests the whole human being, turning it into Our Word.”

“...For the one who Lives in My Divine Will, I AM the Word in the breathing, in the motion, in the intelligence, in the glance, in everything; to the extent that, while feeling Fused and Soaked inside My Word, not having heard the Sound of My Voice, she is Surprised and says: ‘I Feel as if My nature has changed into His Word, and I do not know when He Spoke to me.’ And I: ‘Don’t you Know that I AM Word in every instant? And although you are not listening, I Speak, Knowing that, when you enter the room of your soul, you shall Find It, and shall Take the Gift of My Word.’

There is such a Union and a Transformation that, those who Live in Our Divine Will, and We, Ourselves, understand each other without talking - we speak without words. This the Greatest Gift that We can Give to the creature: to Speak with the Breath, with the Motion.”
